What is the Fort Collins Main Street Loan Program?

The Fort Collins Main Street Loan Program provides affordable and friendly loans in the range of \$5,000 to \$50,000 to new and growing small businesses located or locating in the City of Fort Collins Growth Management Area (see map) who are unable to secure financing from conventional lending sources such as banks.

The City of Fort Collins has selected Colorado Lending Source, Ltd., to manage and administer the fund. Colorado Lending Source, Ltd., has received grant funds from the City and borrowed funds from Independent Bank to seed the program and make loans available to new or existing Fort Collins based businesses that have less than 100 employees. Loan proceeds can be used for any good business purpose associated with helping to start, establish, strengthen or grow a small business that is creating or intends to create meaningful living-wage jobs within the City of Fort Collins.

Who is Colorado Lending Source?

Colorado Lending Source is a private, nonprofit economic development organization that has been assisting small businesses in Colorado since 1990.

As the state's small business financing expert, Colorado Lending Source partners with local lenders, government agencies, communities, investors, foundations, and, other resource partners to help new or existing small businesses create meaningful living wage jobs and grow the economy. We help inspired people create thriving businesses with funding, education and resources!

This presentation can be done remotely via a web conferencing link or in person at the Colorado Lending Source office in downtown Denver.

How long does it take?

Following your pitch / short presentation, your Colorado Lending Source loan officer will prepare and present your request to our board-appointed loan review committee which meets every Tuesday morning to discuss, review and vote on loan requests that Colorado Lending Source staff recommend for approval.

Once a project has successfully progressed through this final stage, you will receive a commitment letter outlining the terms and conditions of approval along with a closing checklist detailing any additional items that might need to be collected or reviewed prior to funding your loan request.

How quickly it will take to apply for, close and then fund your loan will depend in large part on how quickly you can provide or secure all the items requested as part of this application. On average, you should anticipate that the process, from delivery of a complete loan package to funding, will take approximately four to six weeks.

What are the loan terms and costs associated with securing a loan?

There are NO upfront, application or closing fees. A 2% loan origination fee will be deducted from loan proceeds only if your application is successfully funded. There will be other minor filing, recording, wire transfer, etc., expenses reimbursed at cost from funding proceeds as well, which will be disclosed in your loan commitment letter but you will NOT have to bring any funds to the loan closing.

Fort Collins Small Business Loan Program loans are fully amortizing eight year term loans with a fixed interest rate at the Wall Street Journal Prime interest rate + 4.00% but in no cases at an interest rate higher than 8.75%.

A longer ten year loan term may be considered in special circumstances.

Why are you in business / Why do you want to own your own small business?

What is the Statement of Purpose for your business AND what problem are you solving?

A “Statement of Purpose” for a small business embodies the core philosophy, goals and values of the founder(s) while highlighting the way in which the business wants to become successful within the framework of the community. It can be a key part of the strategic operation plan for a small business because it encourages owners to think about what problem the business is solving for its customers.

What type of business culture have you created / will be creating for your employees?

How will you be handling your bookkeeping and record-keeping? What accounting system or program will you be using to keep track of income and expenses?

Please ask someone to write a letter of recommendation in support of your loan application.

Why do you need to do this? Fort Collins Main Street loans are character-based loans. Most lenders rely on things you can measure like personal credit scores to determine whether or not they will lend to you. More qualitative measures, such as who you are and your local reputation, for example, are often of secondary importance if considered at all by most lenders. This is not the case with Colorado Lending Source. As part of your application for a Fort Collins Main Street loan, please have at least one person write a character reference letter on your behalf. A character reference letter is a brief assessment of you as a person – your strengths and weaknesses, your attitude and experience and so on – based on the view of someone who knows you reasonably well. It could be a customer, a member of your community, a mentor, an associate, an employee, a former employer, an instructor, someone you volunteer with, a pastor, a small business counselor ... really anyone (other than an immediate family member) who knows you and is prepared to recommend you to us. Please tell us who you have asked to provide a letter of recommendation below.

Why will you be successful with your business?

How will you repay Colorado Lending Source if you aren't?

Have you applied for financing for this project from another lender? Who? What happened?

How is the business owned?

Please complete the following table for everyone with any ownership interest in your business. (Must total 100%) Demographic information is being collected by Colorado Lending Source solely for the purposes of economic development reporting.

What are the credit scores of each person owning 20% or more of the business?

By applying for a Fort Collins Main Street loan, you are giving Colorado Lending Source permission to run a credit report on all 20% or more owners involved with your loan application. Before completing and submitting this application, it is important to know your personal credit score and what is included on your credit report. Although the Fort Collins Main Street program doesn't require a minimum score before you can apply for a loan, if your score is lower than 600 from any credit reporting agency, we would like to understand why this is the case so please include a separate explanation of anything that has impacted your score and what has happened to correct this since then.

If you haven't reviewed your credit score for a while, visit the Federal Trade Commission website (<https://www.consumer.ftc.gov/articles/0155-free-credit-reports>) for important information about how to order FREE credit reports and how to fix errors on your reports. Please make sure you know your score and have seen your credit report before applying for a Fort Collins Main Street loan.

If you have a lower credit score, we also encourage you to contact Mpowered (www.MpoweredColorado.org), the ONLY Colorado-based nonprofit resource for individuals and families who want to learn about money management, and participate in coaching to help achieve financial success. Mpowered can also work with you to help you improve your credit score.

Please list the most recent credit scores for anyone owning more than 20% of the business. Please separately attach an explanation as to why any score is below 600, if that is the case, explaining what impacted that score and what has changed or is changing since then to improve the score.

- ☐ **COPY OF YOUR BUSINESS PLAN:** Your business plan must explain what your company is going to do, how it is going to accomplish its goals, and, most importantly, why the founders and the team they surround themselves with, are the right people to do the job. A typical business plan will include a company overview, information about your products and/or services, the marketing plan, a list of major company milestones, some information about each member of the management team and their role in the company, and, financial details. This financial section must include a cash flow projection for the business, showing month-by-month projected income and expenses for the business for the next 24 months.
- ☐ **COPY OF YOUR MONTHLY CASH FLOW PROJECTIONS FOR THE FIRST TWO YEARS:** If your business plan doesn't include a cash flow projection showing month-by-month projected income and expenses for the business for the next 24 months, please make sure you create and submit one separately. Your month-by-month projections are critical to a complete understanding of your business and from a lender's perspective, so are the detailed assumptions that you used to create these projections.

Please ensure that you explain in some detail all your major income and expense numbers and where those numbers came from -- THESE ARE YOUR ASSUMPTIONS and will be one of the first things that Colorado Lending Source will review once you submit your application. Provide documentation as part of your business plan to support anything and everything you can related to your cash flow projections.

Completed statement must be signed and dated. If the assets and liabilities are owned jointly with a spouse or significant other, both parties must sign and date the statement. A personal financial statement is important to a lender because it tells the financial story of who you are in a similar way that a resume tells a prospective employer about who you are as a person. Two blank personal financial statements are included in this loan application. Please let Colorado Lending Source know if you need more to finalize your application for a Fort Collins Main Street loan
- ☐ **COPY OF RESUMES FOR EVERYONE WHO OWNS OR WILL OWN 20% OR MORE OF ANY BUSINESS INVOLVED WITH THIS APPLICATION:** This will help us understand the background and history of the key entrepreneurs associated with your business.

1. HOW THE PROGRAM WORKS:

The Fort Collins Main Street loan program is not intended to compete with nor duplicate financing options available through regular commercial lenders in the state of Colorado. If a small business can secure the affordable financing from a commercial lender using a conventional loan or a government-enhanced loan, the small business should do so.

The Fort Collins Main Street loan program is intended to assist small businesses who are otherwise unable to secure needed financing to assist with the startup, growth, development or expansion of their small businesses from conventional sources. To be considered for the Fort Collins Main Street loan program, a small business applicant must nevertheless be both eligible and credit-worthy.

2. GENERAL ELIGIBILITY:

Applicants must meet certain eligibility requirements. These requirements are designed to be as broad as possible so the program can accommodate a diverse variety of small business financing needs. To be eligible for consideration, an applicant must:

- Be “small” where this is defined as having 100 employees or fewer.
- Plan to use proceeds for an approved purpose. Fort Collins Main Street loan proceeds may generally be used for most good business purposes including the creation, expansion, operation or purchase of a small business.

- Firms must be 51% owned by a US citizen(s) or legal permanent resident(s).
- Applications will not be accepted from firms where a principal is currently incarcerated, on parole, on probation, or, is a defendant in a criminal proceeding.

This includes dealers of rare coins and stamps;
- Firms involved in lending such as banks, finance companies, factors, leasing firms, insurance companies (not agents), and any others whose stock in trade is money;

- To repay delinquent state or federal taxes;
- For an illegal activity; and,

7. TERMS AND CONDITIONS:

The specific terms of Fort Collins Main Street loans are based on the project purpose, the borrower's repayment ability and the useful life of the collateral being offered to support the loan. In general, the following provisions apply to all Colorado Main Street loans.

Loan Amounts: Fort Collins Main Street loans have a minimum loan amount of \$5,000 and a maximum loan amount of \$50,000.

Equity Contributions: Regulations associated with the program may limit Fort Collins Main Street loan program financing to a maximum of 90% of the project cost. For example, if a small business needs to purchase a \$40,000 machine, the maximum Colorado Main Street loan available through Colorado Lending Source would be \$36,000 or 90% of the purchase price for an existing business (one two years or older) and \$34,000 or 85% if your business is less than two years old. The small business borrower would need to contribute the balance themselves.

If the Fort Collins Main Street loan is being used to provide "gap financing" behind an existing loan from a commercial lender, the combination of that loan plus the Colorado Main Street may not exceed 90% of the project cost.

Maturity Terms: The Colorado Main Street loan program is generally intended to encourage longer-term, fully-amortizing, fixed-rate small business financing. Loan terms are typically eight years although a ten year term may be considered in special circumstances.

Interest Rates: Interest rates will be fixed for the life of the loan and will be priced at the Wall Street Journal Prime Rate + 4.00% OR 8.75%, whichever is lower.

Fees: An application fee of 2.00% of the requested loan amount will be charged to each successful applicant. This fee is ONLY payable at closing / funding. This fee will ONLY be collected from loan proceeds advanced at the time of funding. In addition, normal out-of-pocket costs such as any applicable recording fees, wire fees, etc., will typically be charged to the small business borrower on a cost-recovery basis.

Prepayment Penalties: There are NO prepayment penalties and Fort Collins Main Street loans may be prepaid in part or full at any time without penalty.

DUNS Number: Each recipient of a Fort Collins Main Street loan must provide a Data Universal Number System (D-U-N-S) Number, which is a unique nine-digit identification number provided free of charge (**do NOT pay for one!**) by Dun & Bradstreet. Instructions on how to apply for your D-U-N-S can be found here: <https://www.sba.gov/content/getting-d-u-n-s-number>

8. “DO-IT-YOURSELF” CONSTRUCTION:

Situations where the borrower is also the project contractor have generally proved to be an unsatisfactory arrangement on Fort Collins Main Street loans. However, “do-it-yourself” construction and/or the installation of machinery and equipment, or situations where the borrower acts as its own contractor, may be permitted as long as it is possible to justify and document the following:

- The borrower / contractor is experienced in the type of construction and has all appropriate licenses;
- The cost is the same as, or less than, what an unaffiliated contractor would charge, as evidenced by two independent bids on the work; and,
- The borrower / contractor will not earn a profit on the construction.

9. PERSONAL / CORPORATE GUARANTEES:

Unlimited personal guarantees are required from EVERY person or entity owning 20% or more of an application for Fort Collins Main Street loan. A personal guarantor is required on EVERY Fort Collins Main Street loan, even if no one individually owns more than 20%.

10. PRIOR BANKRUPTCIES:

Full disclosure of prior bankruptcies is required.

11. PRIOR CRIMINAL OFFENSES / ARRESTS:

A prior criminal arrest or conviction will not necessarily disqualify an individual from receiving financing under the Fort Collins Main Street loan program. However, full disclosure is required.

12. CHILD SUPPORT COMPLIANCE:

No principal who owns at least 50% of the ownership or voting interest in a company applying for financing under the Fort Collins Main Street program, may be delinquent more than 60 days under the terms of any (1) administrative order, (2) court order, or (3) repayment agreement that requires payment of child support. A certification of compliance will be required before any funds will be disbursed under the Fort Collins Main Street loan program.

13. SITE VISITS:

Site visits will be performed, from time to time, on the small businesses who receive Fort Collins Main Street loans.

14. SMALL BUSINESS SUPPORT:

A small business who receives a Fort Collins Main Street Loan is expected to meet with a business counselor or advisor on at least an annual basis. Colorado Lending Source partners with SCORE, local Small Business Development Centers (SBDC's), etc., to provide this needed and free service to the small business community in Colorado.

- _____ Our team at Colorado Lending Source may need to contact you periodically as a requirement of the regulations we are required to comply with. Please make it easy for us to do so by keeping all of your most recent contact information updated with our office.
