<p>ORDER GRANTING JOINT MOTION FOR CERTIFICATION OF FINAL JUDGMENT PURSUANT TO C.R.C.P 54(b)</p>	

This matter came before the Court on the Joint Motion for Certification of Final Judgment Pursuant to C.R.C.P. 54(b) filed by Plaintiff Colorado Oil and Gas Association (“COGA”) and Defendant City of Fort Collins, Colorado, (the "City"). The Court has reviewed the Motion and the other pleadings in the Court’s file and the Court finds that there is good cause to grant the relief requested by COGA and the City. Accordingly, the Court determines that there is no just reason for delay and directs the entry of a final judgment with respect to its Order Granting Summary Judgment on Plaintiff’s First Claim for Relief and Denying Defendant’s Cross Motion for Summary Judgment dated August 7, 2014 (“August 7 Order”) pursuant to Rule 54(b) because that order completely resolves the Plaintiff’s claims in this case, as indicated in the Court’s other order dated September 17, 2014.

Dated: December 3, 2014.

BY THE COURT:

Gregory M. Lammons
District Court Judge
