

COUNCIL OF THE CITY OF FORT COLLINS

STUDY SESSION AGENDA

January 13, 2004

6:00 p.m.

1. Call Meeting to Order.
2. City Plan Update. (6:00 p.m. - 7:15 p.m.)

As the City Council discusses the key policy issues, staff will be seeking Council direction on the issues that could lead to further revisions to the updated **City Plan** document that will be sent to Council for formal adoption. In order to focus Council's discussion and obtain Council's direction, the key policy issues are listed below with a set of questions designed to guide Council's discussion on additional changes that need to be made and included in the resolution adopting the updated **City Plan** document.

3. Discussion Regarding Citywide Floodplain Regulations (except for the Poudre River). (7:15 p.m. - 8:30 p.m.)

Staff would like Council feedback and direction regarding the following:

- Does City Council need any additional information before they can consider adoption of the proposed changes?
- Does City Council agree with staff's approach of balancing risk with regulation?
 - ▶ More restrictive in floodway, less restrictive in flood fringe
 - ▶ More restrictive for new development, less restrictive for existing development
 - ▶ More restrictive for residential, less restrictive for non-residential
- Are there any specific regulations Council would like to see other alternatives on?
- Is it OK to have three regulations less than FEMA minimums and move to a Class 5 CRS rating?

4. Proposed 2003 Stormwater Master Plan. (8:30 p.m. - 9:30 p.m.)

Staff will be asking Council the following questions:

- Does City Council need any additional information before they can consider adoption of the proposed master plan?
- Does City Council support the current policy of providing 100-year level of protection when cost effective?
- Are there specific components of the master plan Council would like to see alternatives on?

5. Other Business.
6. Adjournment.
