

# COUNCIL OF THE CITY OF FORT COLLINS

## STUDY SESSION AGENDA

February 24, 2004

6:00 p.m.

1. Call Meeting to Order.
2. Discussion Regarding Cable Franchise Renewal. (6:00 p.m. - 6:45 p.m.)

The purpose of this study session is to report to City Council on the results (to date) of the needs assessment, and to provide an overview of the renewal process and next steps.

3. Alley House Design Standards. (6:45 p.m. - 7:45 p.m.)

The purpose of this study session is to review the basis for DRAFT revised development standards for carriage houses and accessory buildings within the Eastside and Westside Neighborhoods and receive Council direction on the draft as well as other policy-related issues.

4. Discussion Regarding West Nile Virus Update. (7:45 p.m. - 8:15 p.m.)

Staff would like to review proposed plans for dealing with West Nile Virus in 2004 and would like Council comments and direction regarding the following:

- Should the City of Fort Collins fund and implement an Integrated Pest Management (IPM) mosquito control program to reduce the risk of West Nile virus to city residents in light of the uncertainty of the degree of threat West Nile virus will pose this year?
- If so, does Council support implementing an IPM program that assumes extensive use of larvicide, but no use of adulticide spray?
- If a public health emergency is declared by the Larimer County Board of Health, which option for a City response does Council support?

5. Other Business.
6. Adjournment.
