Detective Laguna,

Thank you for bringing this to my attention. I have attached the form you provided and filled it out for the purpose of terminating that committee. During it's operation no financial accounts were opened for it, nor were did the committee acquire and funds or expend them. The committee was established for a purpose that was soon abandoned, and I failed to terminate upon my departure from the state.

Please let me know if you have any further questions.

Thank you for your time as well as your service to the city.
