***AIR QUALITY ADVISORY BOARD RECOMMENDATION TO CITY COUNCIL***

FROM: Fort Collins Air Quality Advisory Board

DATE: July 24, 2009

SUBJECT: **Climate Action Plan implementation**

Dear Mayor and members of City Council:

At our meeting of July 20, 2009 the Fort Collins Air Quality Board members [AQAB] resolved to communicate our views on the implementation of the Climate Action Plan. The Board unanimously adopted the following motion:

**Because the Climate Action Plan crosses many departmental boundaries, the AQAB recommends the appointment of an individual or group, above the departmental level, that has the authority and responsibility to oversee the implementation of the Climate Action Plan.**

Please contact me if there is a question about this recommendation from the Air Quality Advisory Board.

Sincerely yours,

Eric Levine, Chair

CC: Darin Atteberry, City Manager
