MEMORANDUM

TO: Mayor Hutchison and City Council members

FROM: Eric Levine, Air Quality Advisory Board

DATE: June 26, 2008

SUBJECT: West Nile Virus Management Policy - Resolution 2008-062

The Air Quality Advisory Board unanimously supports the Option C recommendation of the West Nile Virus Technical Advisory Committee.

We additionally recommend:

1. That Council give consideration to those who would prefer to opt out of adulticide spraying.
2. That Council reevaluate the West Nile Virus Management Policy if major new information emerges, such as a confirmed treatment method for West Nile virus in humans.

Thank you for considering this recommendation. I would be happy to answer any questions or convey your comments and further direction to the Board.

Sincerely,

Eric Levine
Board Chair

CC: Darin Atteberry, City Manager
