AIR QUALITY ADVISORY BOARD RECOMMENDATION TO CITY COUNCIL

FROM: Fort Collins Air Quality Advisory Board

DATE: July 24, 2009

SUBJECT: **Mountain Vista Subarea Plan**

Dear Mayor and members of City Council:

At our meeting of July 20, 2009 the Fort Collins Air Quality Board members [AQAB] resolved to support the proposed revision of the Mountain Vista Subarea Plan. We adopted the following motion unanimously:

The AQAB believes this plan will provide adequate air quality protection for the subarea. The Board is concerned the Vine Street realignment may become a *de facto* truck route and the Board, for health and safety reasons, would like the City Council to make every effort to prevent this from happening through street design, traffic monitoring and traffic enforcement.

Please contact me if there is a question about this recommendation from the Air Quality Advisory Board.

Sincerely yours,

Eric Levine, Chair

CC: Darin Atteberry, City Manager
