

BREATHE EASY

"When a vehicle is idling, you get 0 MPG – that doesn't make sense, so I turn off the ignition while trains are passing. It's one of the easiest opportunities to reduce idling in Fort Collins!"

**PLEASE TURN YOUR ENGINE OFF:
EXHAUST is HARMFUL**

City policy limits idling of City vehicles and equipment to 30 seconds.*

*with exceptions, including traffic lights. See City Administrative Policy 3.6(B)
