NOTICE OF RESCHEDULED PUBLIC HEARINGS

August 6, 2020

Dear Property Owner or Resident:

This letter is to inform you of **rescheduled Planning and Zoning Board and City Council public hearings for the Spring Creek Rezone** project. The previously scheduled April 9 Planning and Zoning Board Hearing was cancelled. Revisions to a zoning ordinance near your property will be considered.

On January 2, 2018, City Council approved a rezoning for the Spring Creek Rezone property. In 2019, City staff discovered minor errors in the legal description and zoning map for the property that was rezoned. To correct these errors, additional City Council action is required, following a recommendation from the Planning and Zoning Board.

The hearings will be held on-site in Council Chambers, City Hall as well as virtually through Zoom. Specific information about this development proposal is to the right and on the back of this letter.

City Council has authorized the use of remote technology for select hearings. You can participate over the phone, on the internet, or through the Zoom app on a smartphone, iPad, or computer. **Virtual participation information will be available at fcgov.com/developmentreview/proposals at least 48 hours in advance of the meeting.** You do not need a paid Zoom account to participate.

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed development site. Please feel free to notify neighbors of this hearing so they can attend. If you own or manage an apartment building, please post this notice in a common area.

We welcome your participation in the development review process. If you have any questions, please contact me or Alyssa Stephens at 970-224-6076 or devreviewcomments@fcgov.com. Alyssa is available to assist residents who have questions about the review process and how to participate.

Sincerely,

Rebecca Everette | Development Review Manager
