NOTICE OF PUBLIC HEARING

November 5, 2020

Dear Property Owner or Resident:

This letter is to inform you the Planning and Zoning Board will conduct a public hearing to consider a development proposal near your property. **The hearing will be held on-site in Council Chambers, City Hall as well as virtually through Zoom.** Specific information about this development proposal is to the right and on the back of this letter. A decision regarding the approval or denial of the proposal will be made at the hearing.

City Council has authorized the use of remote technology for select hearings. You can participate over the phone, on the internet, or through the Zoom app on a smartphone, iPad, or computer. **Virtual participation information will be available at fcgov.com/developmentreview/proposals at least 48 hours in advance of the meeting.** You do not need a paid Zoom account to participate.

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed development site. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the public hearing so they can attend. If you own or manage an apartment building, please post this notice in a common area so your residents can participate.

We welcome your participation in the development review process. More information can be found by visiting fcgov.com/CitizenReview. If you have any questions, please contact me or Alyssa Stephens at 970-224-6076 or devreviewcomments@fcgov.com. Alyssa is available to assist residents who have questions about the review process and how to participate.

Sincerely,

Will Lindsey, Associate City Planner

PROPOSAL NAME & LOCATION

Maverik, PDP200001

Northwest corner of the I-25 and Highway 392 interchange

Sign #528, Parcel # 8615305702
(Project location map on the reverse)

PROPOSAL INFORMATION

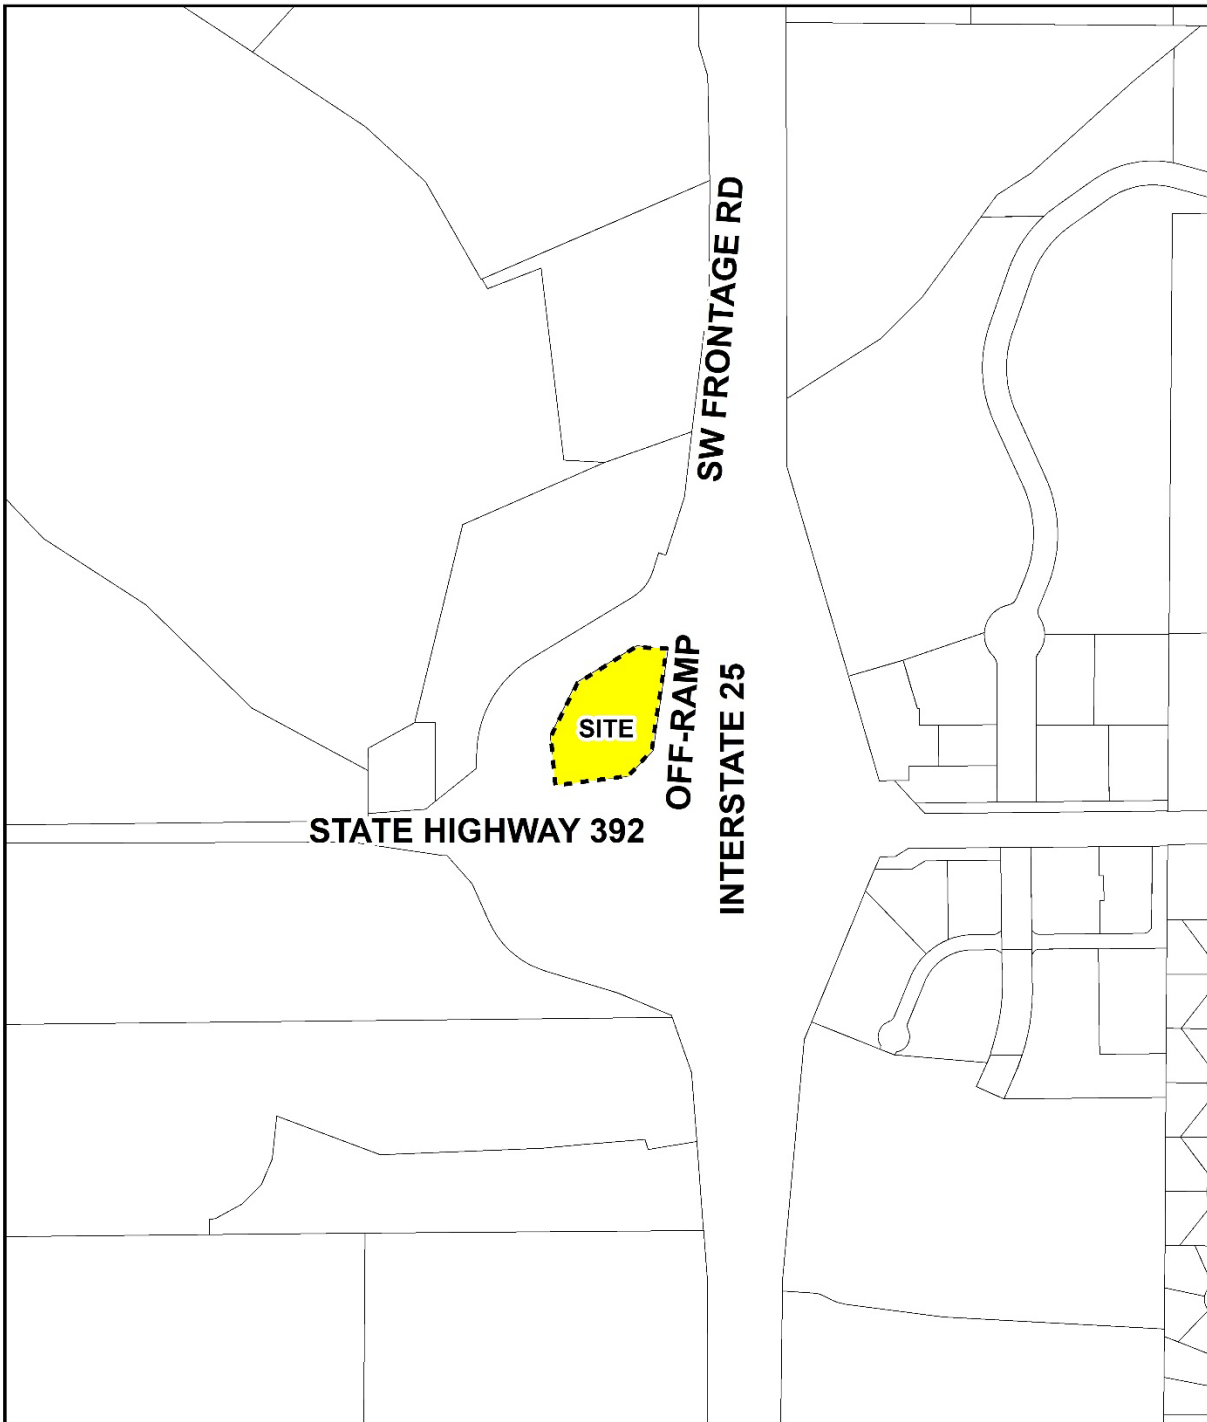

- This is a request for a Project Development Plan (PDP) to construct a Maverik convenience store with fuel sales on a currently undeveloped 2.8-acre site.
- The proposal includes a 6,132-sf single-story convenience store, and two fuel canopy structures.
- Parking is proposed in front of the structure as well as to the side and rear and will total 30 spaces.

ZONING INFORMATION

- The site is in the General Commercial (C-G) Zone District.
- The project is subject to review and approval by the Planning and Zoning Board at a public hearing.
