NOTICE OF VIRTUAL PUBLIC HEARING

November 15, 2022

Dear Property Owner or Resident:

This letter is to inform you a **virtual public hearing on November 30, 2022**, has been scheduled to consider a development proposal near your property. Basic information about this development proposal is to the right and on the back of this letter. A decision regarding the approval or denial of the proposal will be made by an administrative hearing officer following the hearing.

You may attend and participate in this hearing over the phone, on the internet, or through the Zoom app on a smartphone, tablet, or computer. **Virtual participation information will be available at fcgov.com/developmentreview/proposals at least 48 hours in advance of the meeting.** You do not need a paid Zoom account to participate. If you do not have access to the internet or need assistance, call our Development Review Neighborhood Services Liaison, Em Myler, at 970-224-6076.

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed development site. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the public hearing so they can attend. If you own or manage an apartment building, please post this notice in a common area so your residents can participate.

We welcome and encourage your participation, as your input is an important part of the development review process. If you are unable to attend the meeting or would like to provide comments in advance, please contact me or Em Myler at 970-224-6076 or devreviewcomments@fcgov.com. Em is available to assist residents who have questions about the review process and how to participate.

Sincerely,

Clark Mapes | City Planner
