NOTICE OF HYBRID PUBLIC HEARING

June 5, 2023

Dear Property Owner or Resident:

This letter is to inform you City Council will conduct a public hearing to consider a 9-acre rezoning near your property. **The hearing will begin at 6:00pm on June 20, 2023, in Council Chambers, City Hall, as well as virtually through Zoom.** Basic information about this proposal is to the right and on the back of this letter.

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed rezoning site. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the public hearing so they can attend. If you own or manage an apartment building, please post this notice in a common area so your residents can participate.

We welcome your participation in the development review process. More information can be found by visiting fcgov.com/ResidentReview. If you have any questions, please contact me, or our Development Review Neighborhood Services Liaison, Em Myler, at 970-224-6076 or devreviewcomments@fcgov.com. Em is available to assist residents who have questions about the review process and how to participate.

Sincerely,

Ryan Mounce | City Planner

(Project location map on the reverse)

Sign #734, Parcel #: 8707200008

PROPOSAL INFORMATION

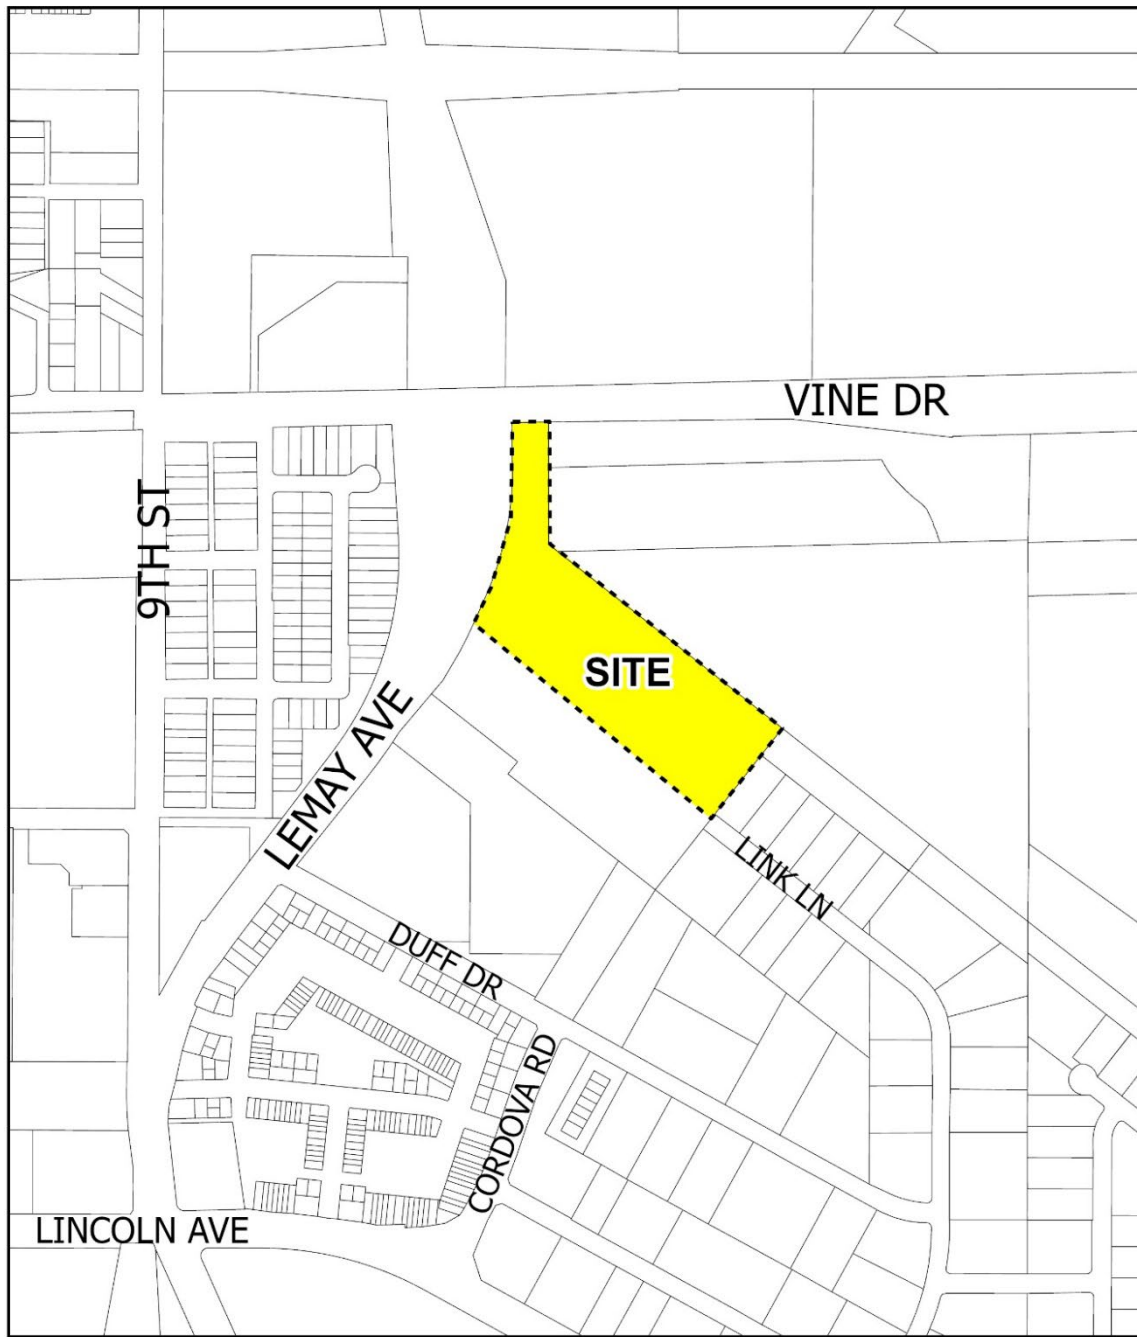

- Rezoning of approximately 9 acres from the Industrial (I) Zone District to the Medium Density Mixed Use Neighborhood (MMN) Zone District.
- Proposed rezoning would create a consistent zoning boundary for a parcel remnant that resulted from approval of the first Landing at Lemay Rezoning in February 2023.
- No development or site changes are associated with the rezoning.
- Proposed rezoning requires City Council approval via two ordinance readings.

ZONING INFORMATION

- The property is currently designated as part of the Industrial (I) Zone District.
