Project Name

Main and Lindenmeier Single Family
CDR230030

Applicant

Troy W. Jones
970-416-7431
troy@architex.com

Planner: Arlo Schumann

Engineer: Tim Dinger

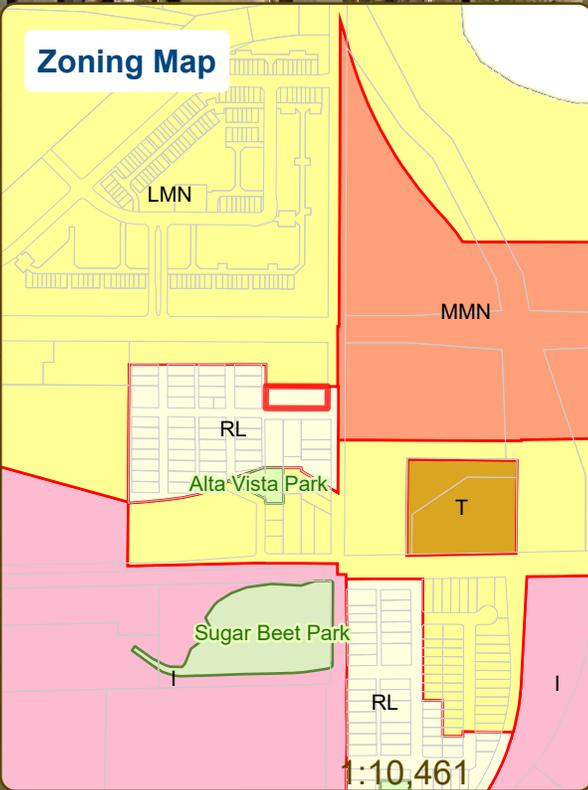

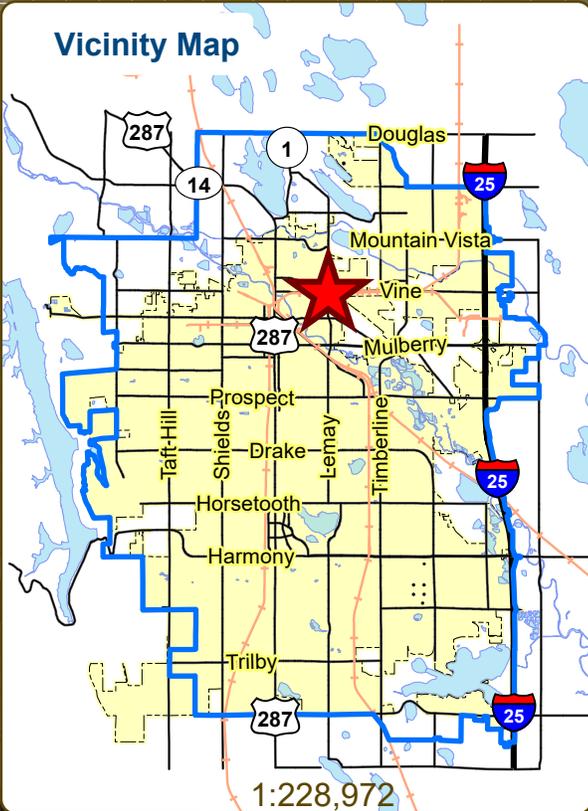

DRC: Marissa Pomerleau

Description

This is a request to develop a new residential subdivision at the NW corner of Main St and Lindenmeier Rd (parcel # 9701400032). The applicant is proposing to subdivide the existing 0.64 acre lot into four lots for single family detached dwellings. Access is taken from Main St to the south. The site is approximately 0.13 miles north of E Vine Dr. and approximately 0.17 miles west of N Lemay Ave. The property is within the Low Density Residential District (R-L) zone district and the project would be subject to Administrative (Type 1) Review.

Main and Lindenmeier Single Family Single Family Subdivision

The City disclaims, and shall not be held liable for any and all damage, loss, or liability, whether direct, indirect, or consequential, which arises or may arise from these map products or the use thereof by any person or entity.

CONCEPTUAL REVIEW: APPLICATION

General Information

All proposed development projects begin with Conceptual Review. Anyone with a development idea can schedule a Conceptual Review meeting to get feedback on prospective development ideas. At this stage, the development idea does not need to be finalized or professionally presented. However, a sketch plan and this application must be submitted to City Staff prior to the Conceptual Review meeting. The more information you are able to provide, the better feedback you are likely to get from the meeting. Please be aware that any information submitted may be considered a public record, available for review by anyone who requests it, including the media.

Conceptual Reviews are scheduled on three Mondays per month. One half-hour meeting is allocated per applicant. Please call the Community Development and Neighborhood Services Office at 221-6750 to schedule a Conceptual Review meeting. Conceptual Review is a free service. Applications and sketch plans must be submitted to City Staff no later than 5 pm, two Tuesdays prior to the meeting date. Application materials can be dropped off in person to 281 N College Ave., emailed to emcardle@fcgov.com or faxed to (970)224-6134.

At Conceptual Review, you will meet with Staff from a number of City departments, such as Community Development and Neighborhood Services (Zoning, Current Planning, and Development Review Engineering), Light and Power, Stormwater, Water/Waste Water, Advance Planning (Long Range Planning and Transportation Planning) and Poudre Fire Authority. Comments are offered by staff to assist you in preparing the detailed components of the project application. There is no approval or denial of development proposals associated with Conceptual Review. At the meeting you will be presented with a letter from staff, summarizing comments on your proposal.

BOLDED ITEMS ARE REQUIRED *The more info provided, the more detailed your comments from staff will be.*

Contact Name(s) and Role(s) (Please identify whether Consultant or Owner, etc) _____

Business Name (if applicable) _____

Phone Number _____ Fax Number _____

Mailing Address _____ Email Address _____

Site Address or Description (parcel # if no address) _____

Description of Proposal (attach additional sheets if necessary) _____

Proposed Use _____ Existing Use _____

Total Building Square Footage _____ S.F. Number of Stories _____ Lot Dimensions _____

Age of any Existing Structures _____

Info available on Larimer County's Website: http://www.co.larimer.co.us/assessor/query/search.cfm

If any structures are 50+ years old, good quality, color photos of all sides of the structure are required.

Increase in Impervious Area _____ S.F.

(Approximate amount of additional building, pavement, or etc. that will cover existing bare ground to be added to the site)

Things to consider when making your proposal:

- Is water detention being provided? If so, where?
• How does the site drain now? Will it change? If so, what will change?
• What is being proposed to treat run-off?
• Where will access and parking for the site be located?

Suggested items for the Sketch Plan:

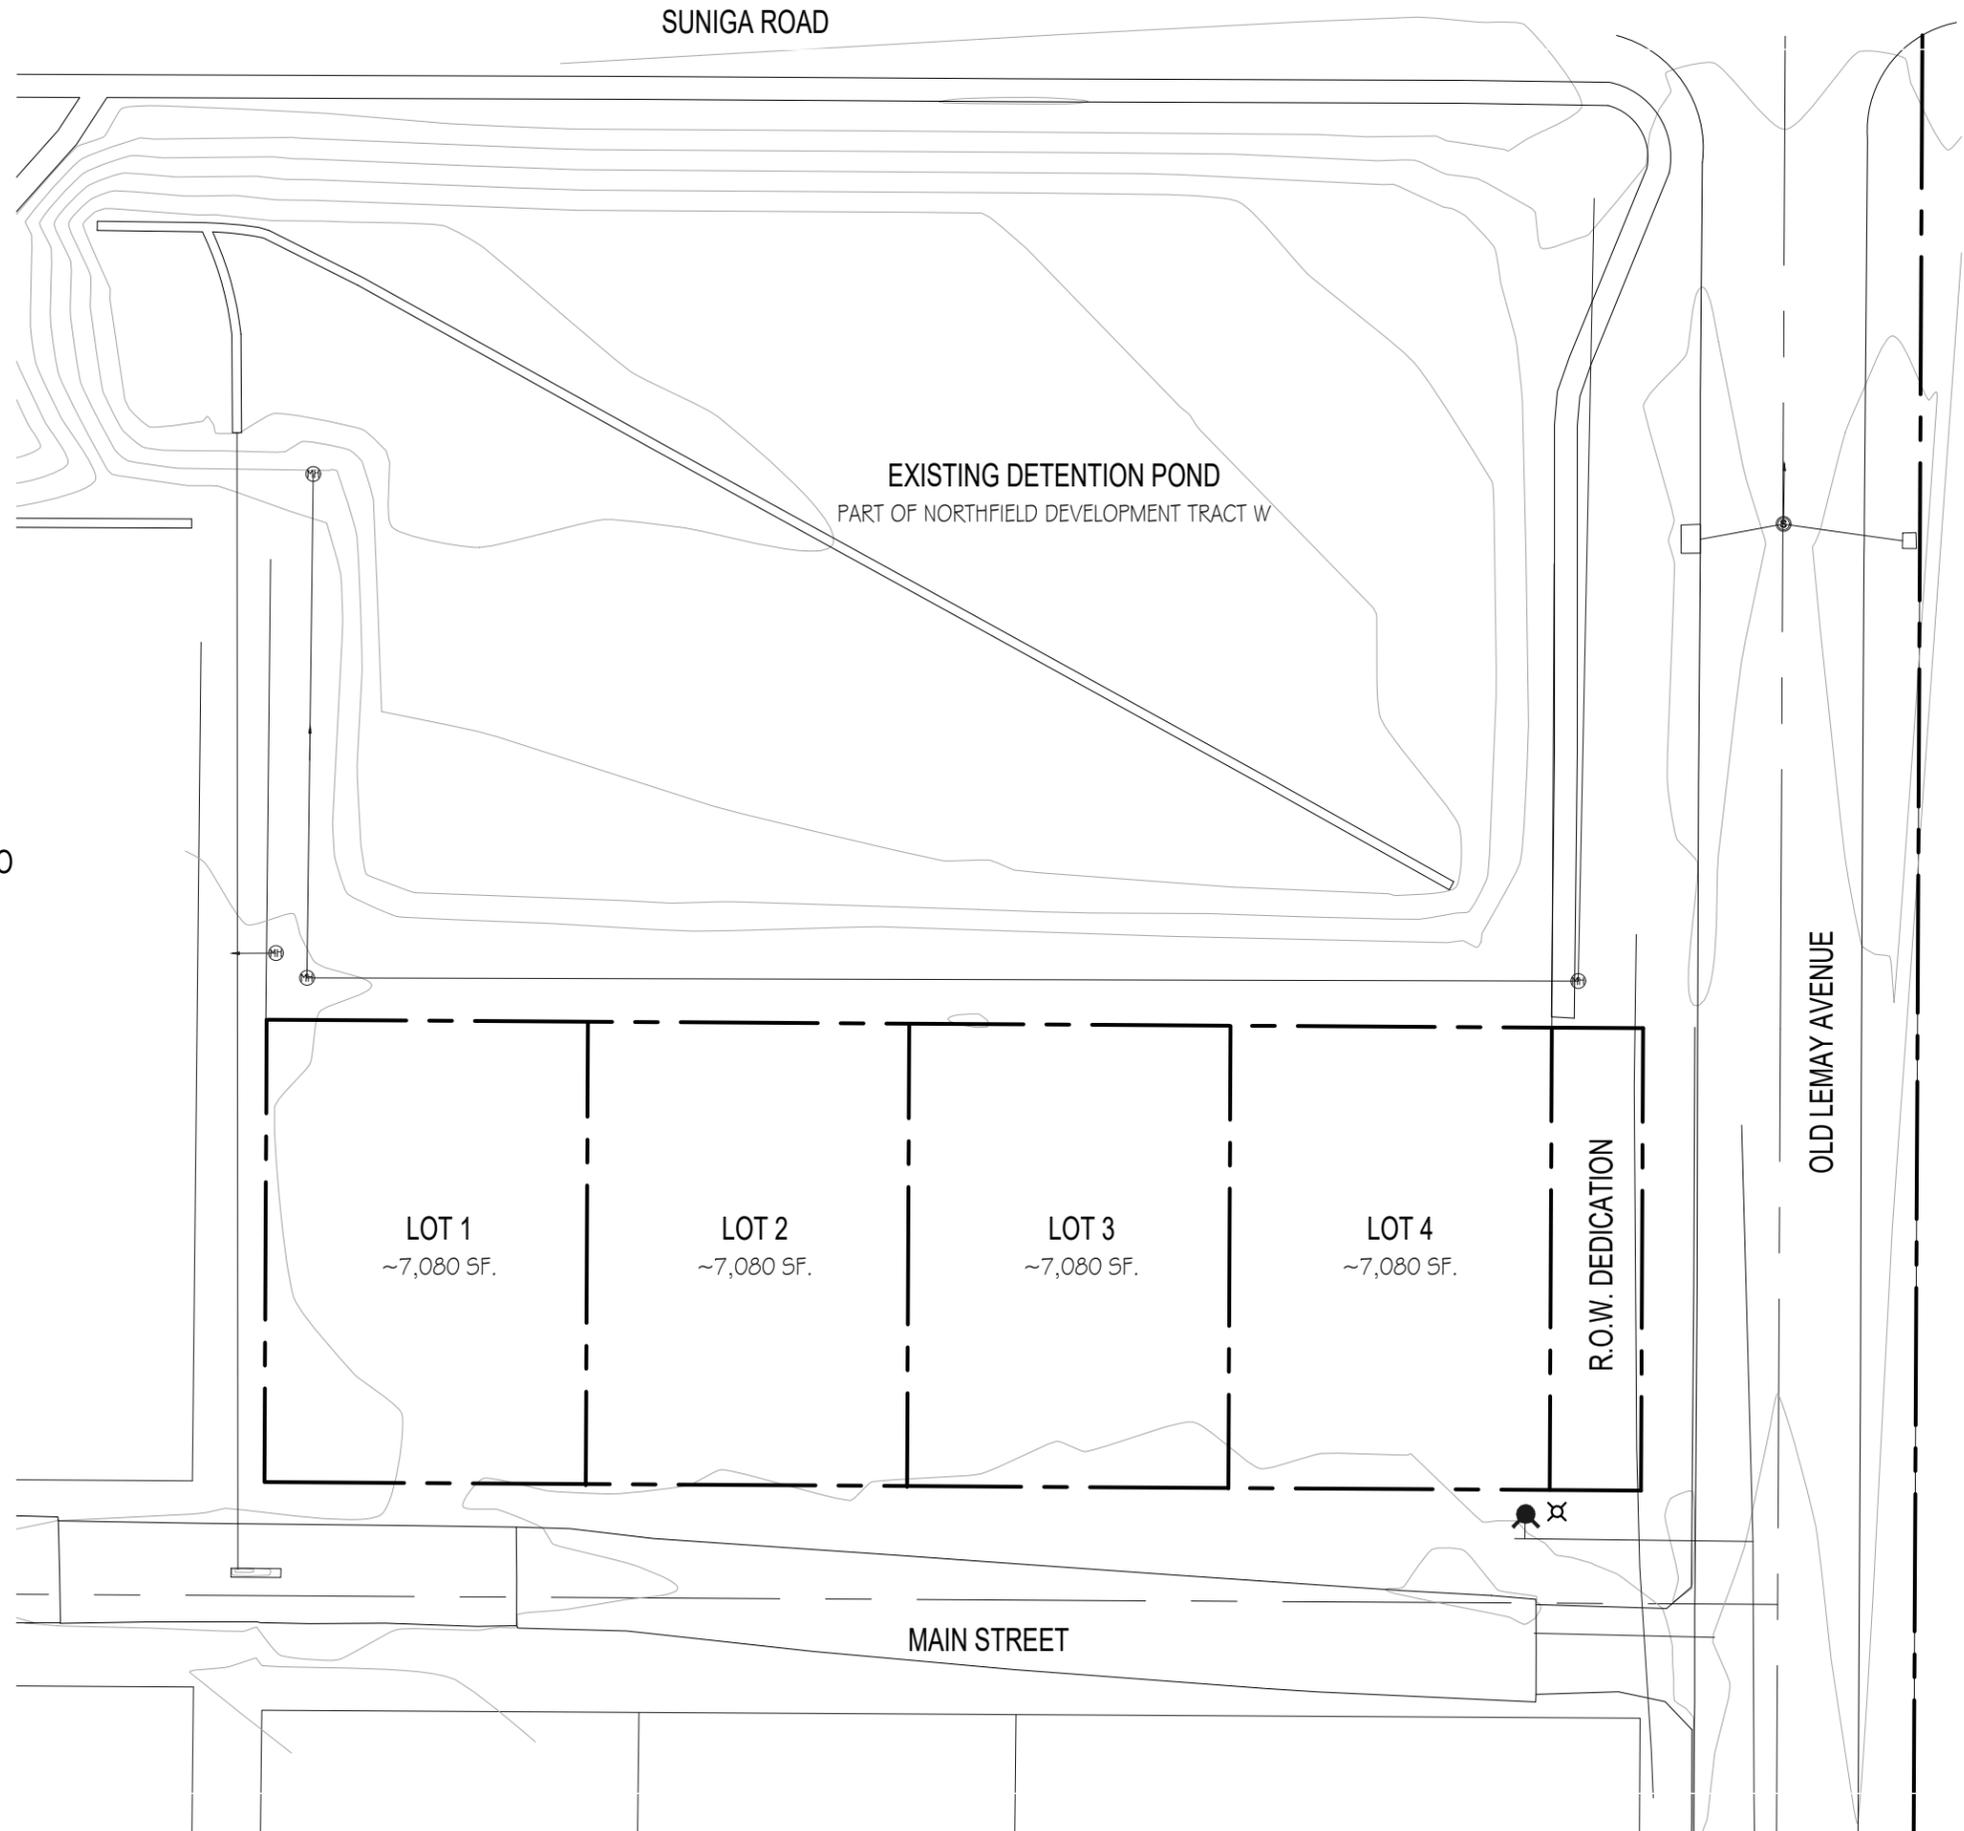

Property location and boundaries, surrounding land uses, proposed use(s), existing and proposed improvements (buildings, landscaping, parking/drive areas), existing natural features (water bodies, wetlands, large trees, wildlife, canals, irrigation ditches), utility line locations (if known), photographs (helpful but not required).

CONCEPT PLAN

OWNER: ROBERT LONG
LAND PLANNER: TROY JONES, MTA PLANNING & ARCHITECTURE
