COMMUNITY WORKSHOP INVITATION

January 23, 2019

Dear Property Owner:

This letter is to invite you to the second community workshop to evaluate a possible update to the City's *Harmony Corridor Plan* for the 'Gateway Area' at the I-25/Harmony Road interchange. This workshop will explore different DRAFT 'Gateway Area' design concepts based on comments from the first workshop held on January 15th.

The update would clarify the area's long-term vision based upon draft *City Plan* Update concepts and the need to further define desired qualities of the gateway. Basic information about this workshop is to the right, with a map describing the area shown on the back of this letter.

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed development site. The meeting is open to the public, so please feel free to notify anyone else of the meeting.

We welcome your participation in the planning process for this key community entryway. If you have any questions, please contact me at 970-224-6174.

Sincerely,

Cameron Gloss, AICP
