## INVITATION FOR VIRTUAL NEIGHBORHOOD MEETING

April 7, 2020

Dear Property Owner or Resident:

This letter is to invite you to a **virtual neighborhood meeting on April 21 for Northern Integrated Supply Project (NISP)** where you can learn more about the potential development proposal near your property. Specific information about this development proposal is to the right and on the back of this letter.

City Council has authorized the use of remote technology for select neighborhood meetings. You can participate over the phone, on the internet, or through the Zoom app on a smartphone, tablet, or computer. You do not need a paid Zoom account to participate. **Virtual participation information will be available at [fcgov.com/developmentreview/proposals](http://fcgov.com/developmentreview/proposals) at least 48 hours in advance of the meeting.** If you do not have access to the internet or need assistance, call 970-224-6076.

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed development site. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the neighborhood meeting so they can attend. If you own or manage an apartment building, please post this notice in a common area so your residents can participate.

We welcome your participation in the development review process. More information can be found by visiting [fcgov.com/CitizenReview](http://fcgov.com/CitizenReview). If you have any questions, please contact me or Alyssa Stephens, at 970-224-6076 or [devreviewcomments@fcgov.com](mailto:devreviewcomments@fcgov.com). Alyssa is available to assist residents who have questions about the review process and how to participate.

Sincerely,

Kelly Smith, Senior City Planner

### PROPOSAL DESCRIPTION

- This is a proposal to develop the Poudre River Diversion Structure at the northwest corner of Mulberry St. and Lemay Ave., and portions of the Poudre Intake Pipeline.
- The pipeline alignment generally travels south and east of the Diversion Structure, through a patchwork of City of Fort Collins and Larimer County jurisdictions.
- As a public facility, this proposal is subject to a Site Plan Advisory Review (SPAR) by the Planning & Zoning Board.
- This project is part of a larger water diversion project that predominantly occurs outside of Fort Collins City limits. Only affected areas within City limits will be evaluated during the SPAR process.
- Residents who receive this letter will also receive a letter for the Planning & Zoning Board advisory review hearing.
