# HYBRID NEIGHBORHOOD MEETING INVITATION

April 25, 2023

Dear Property Owner or Resident:

This letter is to invite you to a **hybrid neighborhood meeting on May 10<sup>th</sup>, to discuss the extension of Mason Street north of Hickory Street**, near property you own. **The meeting will be held on-site in Conference Rooms A-D, 281 N College Avenue, as well as virtually through Zoom.** At the meeting, you can learn more about the development proposal. Basic information about this proposed development is to the right and on the back of this letter.

City Council has authorized the use of remote technology for select neighborhood meetings. You can participate over the phone, on the internet, or through the Zoom app on a smartphone, tablet, or computer. You do not need a paid Zoom account to participate. **Virtual participation information will be available at [fcgov.com/developmentreview/proposals](http://fcgov.com/developmentreview/proposals) at least 48 hours in advance of the meeting.** If you do not have access to the internet or need assistance accessing documents, call our Development Review Neighborhood Services Liaison, Em Myler, at 970-224-6076.

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed development site. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the meeting so they can attend. If you own or manage an apartment building, please post this notice in a common area so your residents can participate.

We welcome your participation in the development review process. More information can be found by visiting [fcgov.com/ResidentReview](http://fcgov.com/ResidentReview). If you have any questions, please contact me or Em Myler at 970-224-6076 or [devreviewcomments@fcgov.com](mailto:devreviewcomments@fcgov.com). Em is available to assist residents who have questions about the review process and how to participate.

Sincerely,

Clark Mapes, City Planner
