VIRTUAL NEIGHBORHOOD MEETING INVITATION

June 11, 2020

Dear Property Owner or Resident:

This letter is to invite you to a **virtual neighborhood meeting on June 25 for a proposed manufacturing, warehouse and office building** on Precision Drive near property you own. At the meeting, you can learn more about the development proposal. Specific information about this proposed development is to the right and on the back of this letter.

City Council has authorized the use of remote technology for select neighborhood meetings. You can participate over the phone, on the internet, or through the Zoom app on a smartphone, tablet, or computer. You do not need a paid Zoom account to participate. **Virtual participation information will be available at fcgov.com/developmentreview/agendas at least 48 hours in advance of the meeting.** If you do not have access to the internet or need assistance, call 970-224-6076.

If you would like to test the Zoom interface, test meetings will be held on Tuesdays and Thursdays from 12:30-1:00 PM MST through mid-June. Join at <https://zoom.us/join> or in the Zoom app with the meeting ID 947-3158-1627. **This is a link for testing your Zoom capabilities only.** Public comment will not be accepted during these test calls.

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed development site. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the neighborhood meeting so they can attend. If you own or manage an apartment building, please post this notice in a common area so your residents can participate.

We welcome your participation in the development review process. More information can be found by visiting fcgov.com/CitizenReview. If you have any questions, please contact me or Alyssa Stephens, at 970-224-6076 or devreviewcomments@fcgov.com. Alyssa is available to assist residents who have questions about the review process and how to participate.

Sincerely,

Clark Mapes, City Planner
