## NOTICE OF PUBLIC HEARING

December 5, 2019

Dear Property Owner or Resident:

This letter is being sent to let you know the Planning and Zoning Board will conduct a public hearing to consider a development proposal near your property. Specific information about this development proposal is to the right and on the back of this letter. A decision regarding the approval or denial of the proposal will be made at the hearing.

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed development site. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the public hearing so they can attend. If you own or manage an apartment building, please post this notice in a common area so your residents can participate.

If you are unable to attend the meeting or would like to provide comments in advance, please contact me or the Neighborhood Services Department, at 970-224-6046 or [neighborhoodservices@fcgov.com](mailto:neighborhoodservices@fcgov.com). Neighborhood Services is available to assist residents who have questions about the review process and how to participate.

We welcome and encourage your participation, as your input is an important part of the development review process.

Sincerely,

Pete Wray, AICP | Senior City Planner
