NOTICE OF POSTPONED PUBLIC HEARINGS

April 9, 2020

Dear Property Owner or Resident:

This letter is to inform you of the **POSTPONED Planning and Zoning Board and City Council Public Hearings for the Spring Creek Rezone** project. A notice with updated hearing information will be sent when dates are selected.

Revisions to a zoning ordinance near your property will be considered. A map of the property is provided on the back of this letter.

On January 2, 2018, City Council approved a rezoning for the Spring Creek Rezone property. In 2019, City staff discovered minor errors in the legal description and zoning map for the property that was rezoned. In order to correct these errors, additional City Council action is required, following a recommendation from the Planning and Zoning Board.

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed development site. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the public hearing so they can attend. If you own or manage an apartment building, please post this notice in a common area so your residents can participate.

We welcome and encourage your participation, as your input is an important part of the development review process.

Sincerely,

Rebecca Everette | Development Review Manager
