

### Preliminary Design Reviews 2009

Date	Number	Name	Location	Planner	Proposal
23-Dec-09	CP092216	Collegio East	705 - 715 South Remington Avenue	Steve Olt	<p>four-level apartment building on a 19,880 square foot lot with both underground and first (ground) level parking. The upper 3 levels would contain 44 residential dwelling units. There is a proposed walkway bridge exiting the fourth level over the alley, connecting the new building with the existing mixed-use "Collegio" building addressed as 706 South College Avenue, directly to the west of the proposed Collegio East building. Construction of the new building would require the demolition of 3 existing residential buildings; 705, 711 and 715 South Remington Street.</p>
