merrittk@landmarkltd.com | This is a request for one residential lot and a new, 26,600 square foot Church of Jesus Christ of Latter Day Saints Temple located at the corner of E. Trilby Rd. and S. Timberline Ave. The applicant is proposing 274 parking spaces total and a one story building with a 100' tall temple steeple. The site is designated at U-E, Urban Estate zoning and the use (place of worship) is allowed subject to a Planning and Zoning Board public hearing. | Courtney Rippy |
CONCEPTUAL REVIEW:
APPLICATION

General Information
All proposed development projects begin with Conceptual Review. Anyone with a development idea can schedule a Conceptual Review meeting to get feedback on prospective development ideas. At this stage, the development idea does not need to be finalized or professionally presented. However, a sketch plan and this application must be submitted to City Staff prior to the Conceptual Review meeting. The more information you are able to provide, the better feedback you are likely to get from the meeting. Please be aware that any information submitted may be considered a public record, available for review by anyone who requests it, including the media.

Conceptual Reviews are scheduled on three Mondays per month. One half-hour meeting is allocated per applicant. Please call the Community Development and Neighborhood Services Office at 221-6750 to schedule a Conceptual Review meeting. Conceptual Review is a free service. Applications and sketch plans must be submitted to City Staff no later than 5 pm, two Tuesdays prior to the meeting date. Application materials can be dropped off in person to 281 N College Ave., emailed to Courtney Rippy at crippy@fcgov.com or faxed to (970)224-6134.

At Conceptual Review, you will meet with Staff from a number of City departments, such as Community Development and Neighborhood Services (Zoning, Current Planning, and Development Review Engineering), Light and Power, Stormwater, Water/Waste Water, Advance Planning (Long Range Planning and Transportation Planning) and Poudre Fire Authority. Comments are offered by staff to assist you in preparing the detailed components of the project application. There is no approval or denial of development proposals associated with Conceptual Review. At the meeting you will be presented with a letter from staff, summarizing comments on your proposal.

*BOLDED ITEMS ARE REQUIRED* *The more info provided, the more detailed your comments from staff will be.*
