

## PUBLIC HEARING NOTICE

January 16<sup>th</sup>, 2014

Dear Property Owner or Resident:

This letter is being sent to let you know about a modification request to a previously approved development proposal near your property and to invite you to the public hearing where you can provide the hearing officer with your comments regarding the modification request. Specific information about this modification proposal is to the right and on the back of this letter.

The project is proposing a reduction in dwelling units from 41 to 39 on 2.21 acres, which requires a density modification to be approved, since the previously approved project included 10.42 acres. This change in project acreage and resulting change in density is due to a portion of the previously approved project being purchased by the City for stormwater detention (8.21 acres). The previously approved site plan accommodated this detention area, and the overall development pattern is not changing from the plans previously approved in 2009.

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed development site. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the neighborhood meeting so they can attend.

Check out our online guide of your ways to participate in the development review process by visiting fcgov.com/CitizenReview. You may also contact me or Sarah Burnett, Neighborhood Development Review Liaison, at 970-224-6076 or <a href="mailto:sburnett@fcgov.com">sburnett@fcgov.com</a>. Sarah is available to assist residents who have questions about the review process and how to participate.

Public comment is encouraged during all phases of the review process. If you are unable to attend the hearing, but would like to provide input, please feel free to write me at the address above or e-mail me at <a href="mailto:jholland@fcgov.com">jholland@fcgov.com</a>.
