NEIGHBORHOOD MEETING INVITATION

June 9, 2016

This letter is being sent to let you know of a potential development proposal near your property and to invite you to the neighborhood meeting where you can learn more about the proposal. Specific information about this development proposal is to the right and on the back of this letter.

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed development site. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the neighborhood meeting so they can attend.

We also want to make sure you're aware of other long-range planning projects going on around the City in 2015 and 2016. Please see the following links for preliminary information about these projects and ways to get involved and provide input. You can also enter your email address at these websites and we'll email you progress updates and information about upcoming public meetings. We welcome and encourage your participation, as your input is an important part of the planning process. If you have questions at any time, please feel free to contact us.
