Dear Property Owner or Resident:

This letter is being sent to let you know the Historic Preservation Division will be holding a meeting of interested Laurel School Historic District neighbors to gather opinions on the recognition of the historic Button House, through a sign or through other means. This home, once located at 711 Remington Street, was demolished last January. Concerned citizens, City Council and the Landmark Preservation Commission (LPC) determined that it was important to memorialize this historic building, and that an appropriate means of recognition should be established. **We welcome and encourage your participation, as your input is an important part of this recognition process.**

You received this notice because records from the Larimer County Assessor's Office indicate you own property in the Laurel School Historic District. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the public meeting so they can attend. Public comment is encouraged during all phases of this process. If you have any questions or comments at any time, please contact me at the information below, or Sarah Burnett, Neighborhood Development Review Liaison, at 970-224-6076 or sburnett@fcgov.com.

We look forward to your participation at this Laurel School Historic District Neighborhood meeting.

Sincerely,

Karen McWilliams
