NEIGHBORHOOD MEETING INVITATION

June 27, 2016

Dear Property Owner or Resident:

On Monday, July 11, 2016, in the Flex Room at the Bacon Elementary School, 5844 South Timberline Road, Fort Collins, the City of Fort Collins Planning Department will hold a neighborhood information meeting to discuss a development proposal in your neighborhood. The project is referred to as the **Johnston Townhomes**.

As proposed, the project consists of developing a parcel of land that is approximately 20 acres in size for 166 townhomes. The parcel currently contains an existing house and is located directly west of the Crown on Timberline Apartments that are currently under construction along Timberline Road.

The project would utilize three existing public streets. On the north side of the parcel, Rosen Drive would be extended as an east-west street. On the south side, Prairie Hill Drive would also serve as an east-west street. On the east side of the site, Red Willow Drive would serve as a north-south street. In addition, a network of new public streets and private drives would be constructed to provide access to lots that would front on a series of central greens.

The property is the western one-half of the 37-acre Johnston Annexation which was annexed into the City of Fort Collins in 2006. The parcel is zoned L-M-N, Low Density Mixed-Use Neighborhood.

We welcome and encourage your participation, as your input is an important part of the development review process. You may contact me or Sarah Burnett, Neighborhood Development Review Liaison, at 970-224-6076 (sburnett@fcgov.com) who can assist residents who have questions about the review process.

Sincerely:

Ted Shepard, Chief Planner
