NOTICE OF PUBLIC HEARING

October 19, 2015

Dear Property Owner or Resident:

This letter is being sent to let you know a public hearing has been scheduled to consider a development proposal near your property. Specific information about this development proposal is to the right and on the back. A decision regarding the approval or denial of the proposal will be made by an administrative hearing officer following the hearing. **We welcome and encourage your participation, as your input is an important part of the development review process.**

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed development site. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the public hearing so they can attend.

Check out our online guide of your ways to participate in the development review process by visiting fcgov.com/CitizenReview. If you are unable to attend the meeting or would like to provide comments in advance, you may contact me or Sarah Burnett, Neighborhood Development Review Liaison, at 970-224-6076 or sburnett@fcgov.com. Sarah is available to assist residents who have questions about the review process and how to participate.

We look forward to your participation at the public hearing. If you have questions at any time, please feel free to contact us.

Sincerely,

Clay Frickey
