Description of the offense allegedly committed and the basis for the allegation:

The website "RCVforFortCollins.org" is being used as a pass-through to an anti-RCV website. The website does not contain a Paid-for-by in accordance with 7-140 of the Fort Collins Municipal Code.

GoDaddy is hosting the domain "RCVforFortCollins.org" and allowing the Domain Registrant to remain anonymous despite violating Fort Collins election law.

GoDaddy's Universal Terms of Service Agreement allows anonymity unless the website is violating local laws. The City Attorney has to call GoDaddy to report the violation before GoDaddy will reveal who the name of the Registrant. They will not reveal the name of the doman registrant to me; only a member of a Government entity.

My ability to identify the alleged violator is dependent on the City Attorney calling GoDaddy to compel them to reveal the domain registrant.
