

LAPORTE AVE. ROAD & BRIDGE IMPROVEMENTS

You're Invited to an Open House!

Wednesday, October 09, 2019
5:30–7:30 p.m. at Irish Elementary
515 Irish Drive

PROJECT GOALS

- Enhance safety by providing continuous sidewalk connections and improved bicycle routes with buffered and/or protected bike lanes.
- Replace the two existing older bridges that are functionally obsolete
- Provide curb, gutter, drainage and turn lane improvements
- Provide sustained stakeholder engagement throughout the project

METAS DEL PROYECTO

- Mejorar la seguridad proporcionando conexiones a aceras continuas y mejores rutas para bicicleta con carriles protegidos
- Remplazar dos puentes antiguos funcionalmente obsoletos
- Mejorar banquetas, alcantarillas y drenajes
- Proporcionar oportunidades de participación publica durante el proyecto

Auxiliary aids and services are available for persons with disabilities.

Fort Collins, CO 80522

LAPORTE AVE. ROAD & BRIDGE IMPROVEMENTS PROJECT

You're invited to join City staff at an open house to learn about the Laporte Avenue Road and Bridge Improvements Project.

The Design team is looking for your feedback regarding a variety of potential design alternatives prior to advancing the plans.
