Applicant agrees to comply with the code of the City of Fort Collins governing height, length, width, and weight for temporary approval to operate specified vehicle on designated public streets. The vehicle shall operate in conformance with the provisions of Colorado State Law (C.R.S. 42-4-501 to 42-4-512) and any other contractual agreements required by utility companies.

Applicant agrees to abide by the most current City of Fort Collins Standard Plans and Specifications and to such special conditions, restrictions, and regulations as may be imposed by the Engineering Department. Permit is NOT VALID for vehicles transporting HAZARDOUS MATERIALS. **Applicant also agrees to telephone the Engineering Inspection Recorder at 221-6609, 24 HOURS PRIOR to the date and time of the scheduled move.**
