**EMERGENCY RULES AND REGULATIONS**

**No. 2020-04**

To all persons take notice:

That for the protection of life, health, safety and property as affected by reason of the COVID-19 Event, which resulted in my declaration of a "local emergency" under the authority of Chapter 2, Article IX of the Code of the City of Fort Collins, (the "City") and which declaration of local emergency was filed with the City Clerk and with the Colorado Division of Emergency Management on March 13, 2020, I have hereby established, under the authority of §2-671(a)(6)a, the following rules and regulations:

1. Commencing on March 20, 2020, and until further notice, the requirements of Chapter 26 of the Fort Collins City Code related to disconnecting city non-telecommunication utility services to a premise upon non- or late payment of utility service fees shall not apply during the pendency of the local emergency, or such longer period of time as may be mandated by executive order of the Colorado governor and/or the United States federal government.
2. Nothing in this emergency regulation shall prevent the City from utilizing such other legal mechanisms as are available to it, including, without limitation, payment plans, imposition of interest and late fees, and liens on real property for abatement of non- or late payment of utility service fees.

Pursuant to §2-671(e) of the City Code, the rules and regulations set forth herein shall be disseminated to local radio and television stations and to a newspaper having a general circulation within the City. A knowing violation of these rules and regulations shall be a misdemeanor punishable under §1-15 of the City Code.

DATED this 20th day of March, A.D. 2020.
