HIGH SCHOOL

EVERY YEAR

PSD High School (4 schools, ~500 students)

Fort Collins Fossil Ridge Poudre Rocky Mountain

HIGH SCHOOL PROGRAM focuses on "Bike PE" curriculum during Adventure PE classes and incorporates "Bicycle Friendly Driver" certification.

TOTAL: 7,400

TOTAL: 7,000

TOTAL: 7,100

NOTE: Goal is to hit every elementary school once every three years with in-depth SRTS bike-ped program. This gives K-5 students one to two years' exposure to in-depth program. In middle school, the program focuses on one grade level only (normally sixth), giving virtually all public-school students

three years of program exposure before high school. Individual students may participate in additional bike-ped activities, such as International Walk to School Day, National Bike to School Day, Bike Week, school walkathons/ triathlons, biking/walking clubs and camps, bike-ped assemblies,

Family Bike Rodeos, biking/walking field trips, BaseCamp bike-ped clubs, and other SRTS-related activities in the community. High-school program includes traditional "Bike PE" curriculum as well as "Bicycle Friendly Driver" certification.

Charter schools, private schools, and youth organizations also receive SRTS programming by request.
