

# COLORADO SAFETY STOP

As you approach an intersection  
while riding a bicycle or scooter:

## AT STOP SIGN

Are other road users  
approaching or  
already stopped?

**NO**

Proceed through slowly.

**YES**

Stop and wait your turn.

## AT SIGNAL

Stop and verify  
intersection is  
clear before  
going straight  
or turning right  
or wait for a  
green light.

**Remember:** you can always opt to not do the Colorado Safety Stop, and this law applies to those aged 15+ (or those with an adult).
