

Drake and Hampshire Signalized Intersection

A Safe Routes to School Project

Hampshire Bikeway

PROJECT HIGHLIGHTS

- Total cost: \$620,000
- CDOT SRTS Program grant funding: \$496,000
- Features include: full signalization of intersection, concrete/sidewalk improvements, new pavement striping, bike box, manual and automatic signal activation for bicyclists and pedestrians
- Project directly impacts: 1,000+ K-8 students at Olander Elementary School and Blevins Middle School
- Additional benefit: completes Hampshire Bikeway by eliminating final gap in bikeway — for all community members
