Managing Your Fort Fund Award

Complete Your Contracts

☐ Fill in the “Public Benefit” section: Write in the public benefit of your event on the electronic contract sent by DocuSign

☐ Electronically sign the contract: Fort Fund will send a contract electronically via DocuSign to the emails that were filled out in the ‘Contractual Information’ section of your application. Please make sure that you have filled out this section with the correct email addresses and persons. Often the people most directly involved in the Fort Fund project are NOT authorized to sign contracts on behalf of the recipient organization. Entities that are corporations (such as non-profit corporations) should have contracts signed by the board president and witnessed (not notarized) by the board secretary, unless the board has specifically authorized someone else to sign. If your organization is part of Colorado State University, you will need to have your contracts processed through the Sponsored Programs Office. If you have questions about who is authorized to sign your contract, please contact Liz Irvine at 970-416-4225.

Receiving Your Award

☐ Project Support II (January): Once your contract is completed, signed and returned electronically via DocuSign and it has been signed by a representative from the City Attorney’s Office, a check/ACH deposit request will be processed. Please allow 2-4 weeks after you have returned your contracts for the funds to be available.

☐ Project Support (March) and Organizational Support (April): Once your contract is completed, signed, and returned electronically via DocuSign and it has been signed by a representative from the City Attorney’s Office, a check/ACH request for one-half of your award amount will be processed. Please allow 2-4 weeks after you have returned your contract for the funds to be available.

☐ Project Support and Organizational Support recipients will receive the second half of their award after they have submitted their mid-year report, which is due by January 15th. A check/ACH deposit will not be processed until the mid-year report is received. Once your report is submitted, a request will be processed for the balance of your award.
