Dear Property Owner:

This letter provides you with certification that proposed work to your designated Fort Collins landmark property, the Harden House at 227 Wood Street has been approved without an application by the City's Historic Preservation Division (HPD) because the proposed work appears to be routine in nature with minimal effects to the historic resource, and meets the requirements of Chapter 14, [Article IV](#) of the Fort Collins Municipal Code.

The alterations reviewed include:

- Installation of K-style gutters on the main house

Notice of the approved application has been provided to building and zoning staff to facilitate the processing of any permits that are needed for the work

Please note that work beyond that indicated in your permit application/correspondence requires additional approval.

If the approved work is not completed prior to the expiration date noted above, you may apply for an extension by contacting staff at least 30 days prior to expiration. Extensions may be granted for up to 12 additional months, based on a satisfactory staff review of the extension request.

If you have any questions regarding this approval, or if I may be of any assistance, please do not hesitate to contact me. I may be reached at [jbertolini@fcgov.com](mailto:jbertolini@fcgov.com) or 970-416-4250.

Sincerely,
