CERTIFICATE OF APPROPRIATENESS – Minor Alteration
ISSUED: March 11, 2024
EXPIRATION: March 11, 2025

Alan J. and Heidi B. Pruess
c/o Jeff Morris (JM Exteriors, LLC)
8010S. CR 5, Ste. 203
Windsor, CO 80528

Dear Property Owner:

This letter provides you with certification that proposed work to your designated historic property, the Fred Weitzel House at 215 E. Elizabeth St., has been approved by the City's Historic Preservation Division (HPD) because the proposed work appears to be routine in nature with minimal effects to the historic resource and meets the requirements of Chapter 14, [Article IV](#) of the Fort Collins Municipal Code and Section 3.4.7 of the Land Use Code.

The alterations reviewed include:

- In-kind reroofing (asphalt shingles)

Notice of the approved application has been provided to building and zoning staff to facilitate the processing of any permits that are needed for the work. Please note that work beyond that indicated in your permit application/correspondence requires additional approval. Items requiring further approval include, but are not limited to, the following activities:

- Work affecting, or repair of, a chimney;
- Repair or replacement of historic decorative or functional features on or near the roof, such as fascia, purlins, brackets, eaves, gutters, and dormers;
- Installation of roof insulation above the sheathing that will result in more than a 4-inch increase in the roof height; (note: uncovered portions at the eave should be covered with plain fascia or drip edge);
- Addition of new rooftop features including skylights, dormers, and large new vents (note: no further review is needed to install standard edge, ridge, or "turtle" vents required for meeting ventilation standards on new roofs).

If the approved work is not completed prior to the expiration date noted above, you may apply for an extension by contacting staff at least 30 days prior to expiration. Extensions may be granted for up to 12 additional months, based on a satisfactory staff review of the extension request.

If you have any questions regarding this approval, or if I may be of any assistance, please do not hesitate to contact me. I can be reached at yjones@fcgov.com or at (970) 224-6045.

Sincerely,

Yani Jones, Historic Preservation Planner

Fast Track Permits

3.

Beginning on Monday, October 9th, you have the option to pull one permit for multiple appliances of the same kind.

Multiple furnaces and air conditioners can be included on one mechanical permit.

Multiple water heaters can be included on one water heater permit.

Water heaters and furnaces may NOT be included on the same permit.

A \$65 fee per appliance will be assessed.
