

PERSONAL LEAVE

Employees who have worked at least 520 regular hours in an hourly position are eligible to accrue personal leave.

Eligible employees accrue personal leave time at the rate of .019 hours for each regular hour worked (up to 40 hours per week), up to a maximum of 40 hours of personal leave.

Once the cap of 40 hours is reached, employees will cease accruing additional personal leave time. If the employee later uses enough personal leave time to fall below the 40-hour cap, they will start accruing personal leave time again from that date forward until they reach the cap of 40 hours.

SICK LEAVE

Hourly employees shall receive 1 hour for every 30 hours worked up to a maximum of 48 hours of sick leave in the Leave Benefit Year.

Employees may roll over up to 48 hours of unused sick leave from year to year.
