

SIGNS OF SPRING DISCOVERY HUNT

Look for these signs of Spring in your backyard, neighborhood, or in a City of Fort Collins Natural Area.

- Look Up! See any budding trees or shrubs?
- Mushrooms poking out from dead Cottonwood trees
- Birds' nests (Are there any birds in it?)
- Green grass poking out behind brown grass
- Do you see any snow or puddles on the ground?
- Flowers that are about to bloom or have bloomed
- Do you see any wildlife? (squirrels, deer, or insects)
- Is the soil (ground) wet? Is it muddy?
- Is the sun shining? Does it feel warm outside?
