

June Nature Playdate Discovery Hunt

Can you find....

Something natural
that's the same color
as your shirt?

The home of an
underground animal
or insect?

An insect that lives
underwater?

A leaf the size of your
hand?

A flower that is your
favorite color?

A place an animal
could hide?

A worm that lives in
the soil? (Hint: you
might have to dig)

A bird nest high
in a tree?

A rock that has moss
on growing on it?
