

SPNA Geology Resources						
Title (date)	Publication	Author	Description			
Geologic Column	USGS website		1p. Brilliant color column			
Geologic Time Scale (c, 2005) + Fossil record: geological time w/ major evolutionary events	www.geology.com + Britannica		Simple light colored geologic column + evolutionary events column			
Geologic Time Scale	Modern Physical Geology	Thompson, Graham R. & Jonathon Turk	B&W geologic column w/ ages & organisms			
Geologic clock, + annotated copy		Fig 2-32	2p, second is annotd/ var.plant & animal ages			
Stratigraphic Variationalong the NE Flank of the Front Range		Berman (1980)	2p. in plastic sleeve			
Granite, Fountain Form, Lyons SS, Lykins Form, Morrison form, Dakota SS, etc. Defs. (05-05-08)	Wikipedia		5p. in plastic sleeve, including map of Morrison Formation			
Geology of the SPNA, Summary of the (draft, 04-23-07)		Ethridge, Frank ?	14p. Paper clipped DRAFT			
Tertiary-aged sedimentary rocks - The Gangplank	Roadside Geology of Wyoming	Lageson & Spearing	Laminated 3-D color illustration			
High Plains (geology), "gang plank"	USGS		2p. in pastic sleeve, includes I-80 photo & diagram			
Mountains of SE Wyoming - Laramie Range (1988)	Roadside Geology of WY	Lageson & Spearing	copy of p. 24 description & line drawing			
Colorado Rocks (more common CO rocks)	USGS	Modreski, Pete	2p. In plastic sleeve			
geology emails re: LS outcrops in Ogallala Form (Oct 09)	emails	Smith, Pam and Kari Sever	6p. Stapled			
Fair copy of Plate 6 (Figs 1 & 2) of	p.21		Hoodoo erosional forms (1) and boulders (2) in the Chadron area (R69W,T12N,S27).			
Red Mountain vista			Color photo w/ distant green plains			
Red Mountain vista			Color photo looking nearly straight down			
Red Mountain vista			Lam.color photo/ red & white rock bands			
Red Mountain Ranch Geology		Erslev, Eric	2p. in plastic sleeve			
Geomorphic evolution of the east flank of the Laramie Range, CO & WY, Plate 4)		Moore, F.E.	single color map redux, referenced in limestone emails			
Stages in the Development of the East Flank of the Laramie Range. CO & WY		Moore, F.E.	11x17 folded line drawing of (4) landform sketches, Late Eocene, Late Miocene, Late Pliocene and Recent			
Geomorphic Evolution of the East Flank of the Laramie Range, CO & WY (1959)		Moore, Frank	unbound 123p. thesis, carbon copy, w/o blueprint ref. maps. Maps are available in copy for Reference Only			
Minerals Assessment, Soapstone Ranch, Laramie Foothills Region, Larimer County CO (06-18-04, 2 copies)		Collins, Bruce A.	37p document + 6p. References, in binder clip. Has Statewide Oil & Gas Raclamation Rules			
Table Mountain & Adj. Parts of Round Butte & Buckeye, Larimer Co, CO & WY	USGS	Labeled Black Plastic Bag stored in Little House	USGS Geological Color map and Key (separate board)			
Rev. 06-09-11
