Discover Your Natural Areas!

Natural areas are special places to explore and treasure. The City of Fort Collins Natural Areas Department manages more than 40 natural areas encompassing over 36,000 acres and 100 miles of trails—there's probably a natural area near you! Check the maps on pages 42-45 or visit fcgov.com/naturalareas.

Fort Collins natural areas are open from 5 a.m. until 11 p.m. except Bobcat Ridge, Gateway, Reservoir Ridge, and Soapstone Prairie natural areas, which are open dawn to dusk. Soapstone Prairie is closed December–February.

Safety

The activities and events offered in this guide often take place in natural areas where you are responsible for your own safety. Outdoor activities include the potential for serious injury, death, or property loss. Choose activities that match your abilities. Be prepared for changing weather conditions. No pets are allowed at *Tracks & Trails* programs.

What the Symbols Mean

Handicapped accessible; wheelchairs welcome. Paved or hard-packed trails; distance is 1 mile or less with moderate inclines. *Auxiliary aids and services are available for persons with disabilities*. V/TDD: Dial 711 for Relay Colorado.

Asistencia disponible en español a ningún costo.

Some programs are not suitable for all audiences and have age restrictions indicated by a symbol such as this. Children must be accompanied by adults on all programs.

New for 2017! Registration is required for all programs. Go to fcgov.com/register to register. Set up your account with your name, phone number, and email. By registering, you will receive reminders and updates. For assistance, call 970-416-2815 or email naturalareas@fcgov.com.

Registrations and Cancellations

Everything you need to know about an activity can be found in four places:

- fcgov.com/register for descriptions and registrations
- fcgov.com/naturalareas for cancellations and updates
- Like City of Fort Collins Natural Areas on Facebook for news and information
- Follow @FCNaturalAreas for cancellations, updates, and trail conditions.

Activities may be canceled due to inclement weather. Check *fcgov.com/ naturalareas* before you go! Field trip leaders may cancel an activity in progress for safety reasons.

Program Leaders

Master Naturalists are highly trained volunteer educators who lead most of the *Tracks & Trails* activities. They love to share their enthusiasm, knowledge, and passion for natural areas. You'll have lots of fun and gain a deeper understanding of your natural areas by attending a Master Naturalist-led program.

Programs for Groups

Groups of six or more are required to schedule their activities at a separate time. To request an activity for your group, contact Alex, Community Educator at 970-416-2043 or *amchenry@fcgov.com*. At least two weeks advance notice is required. All activities are free.

Groups of 15 or more visiting a natural area without a Master Naturalist must apply for a permit in advance, at *fcgov.com/naturalareas/permits.php*. Permits are free and help ensure there are no conflicts on the day you plan to visit.

SPECIAL EVENTS IN 2017

The following events are organized by the Natural Areas Department and partnering organizations. Registration is required for some but not all of these events.

Natural Areas Challenge at Open Streets

Sun. June 4, 10:00 a.m. – 3:00 p.m. Red Fox Meadows Natural Area

Open Streets works with communities to raise awareness of the network of amazing trails available for navigating Fort Collins on foot or by bike. Join us at Red Fox Meadows to complete various natural areas challenges and win prizes! Free, no registration required. Information at *fcgov.com/openstreets*.

Nature in the City: Community Projects Development Series

Tues. June 6, 5:00 p.m. – 7:00 p.m. Thurs. July 13, 5:00 p.m. – 7:00 p.m. Tues. Aug. 1, 5:00 p.m. – 7:00 p.m. Nix Farm, 1745 Hoffman Mill Rd.

The City of Fort Collins' Nature in the City program envisions a connected open space network for people and wildlife. Residents, neighborhoods, and HOA's are invited to develop project ideas and apply for funding to help make this happen. Applications are due this fall for 2018 projects. Join us to learn about available resources, review previous projects, and address common pitfalls. We will cover a different topic each session and there will be time for individual consultations to help you fully communicate your vision. Come to as many sessions as you like. **Registration is required** at fcgov.com/register.

SPECIAL EVENTS

Celebrate Native Plants! Native Plant Speaker Series

Sat. June 10, 10:00 a.m. – noon The Gardens on Spring Creek, 2145 Centre Ave.

It's Native Plant Week. Come celebrate and learn all about native plants and how to use them in your yard from a diverse collection of riveting speakers. Please join us at 10 a.m. for the welcome followed by a variety of 15-minute breakout sessions. Check <code>fcgov.com/gardens</code> for updates.

National Trails Day

Sat. June 17, 8:00 a.m. – 1:00 p.m. Bobcat Ridge Natural Area

Get outdoors and give back! Volunteers of all ages are invited to help maintain the trails at Bobcat Ridge. Kid-friendly projects and activities will be available. A free celebratory lunch will be offered at noon. This project is sponsored by City of Fort Collins Natural Areas Department, REI, Backcountry Delicatessen, and Larimer County Conservation Corps. All volunteers under the age of 16 must be with an adult 18+. Free, **registration** is required at fcgov.com/register.

Flood Education Day

Sat. July 29, 10:00 a.m. – 2:00 p.m. Spring Park, 2100 Mathews St.

Visit the Natural Areas booth to learn about the ecological benefits of floods as we commemorate the 1997 Spring Creek flood. Other hands-on booths will cover flood safety and preparedness, the importance of flood mitigation and the history of flooding in Fort Collins. Join for a guided walk or bike tour along the Spring Creek Trail. For information visit fcgov. com/follow-the-flood.

Wade the River

Sat. Aug. 5, 10:00 a.m. – 1:00 p.m. Lee Martinez Park, 600 North Sherwood St.

Wade the river with dip nets and collecting trays to discover what lives beneath the surface of the Cache la Poudre River. Biologists will be on hand to help identify your finds. Fishes, insects, larvae, algae, and more are easily seen with field microscopes. All equipment is provided. Bring your own towels, wear closed-toe shoes that can get wet, and sun and mosquito protection. No registration required but you can get a reminder and updates by signing up at <code>fcgov.com/register</code>. The river is dynamic and so are we; we may have to change dates, locations, or cancel for safety reasons.

Wild by Wild: Photographs of Wildlife by Wildlife

Sat. Sept. 2, 10:00 a.m. - 2:00 p.m.

Fort Collins Museum of Discovery, 408 Mason Ct.

Stop by and view the gallery of the latest wild animal "selfies" taken by remote cameras. Fun family activities include checking a camera, finding wildlife signs, guessing animal sounds, and voting for the best image. Free, no registration required but you can get a reminder and updates by signing up at fcgov.com/register.

Nature's Harvest Fest

Sat. Sept. 16, 9:00 a.m. – 2:00 p.m. The Gardens on Spring Creek, 2145 Centre Ave.

Celebrate local nature and agriculture! Everyone is invited to a free day of fun and learning for the whole family that includes live animals, interactive activities, live music, food, vendors, presentations, giveaways, and more! Check <code>fcgov.com/gardens</code> for updates.

National Public Lands Day

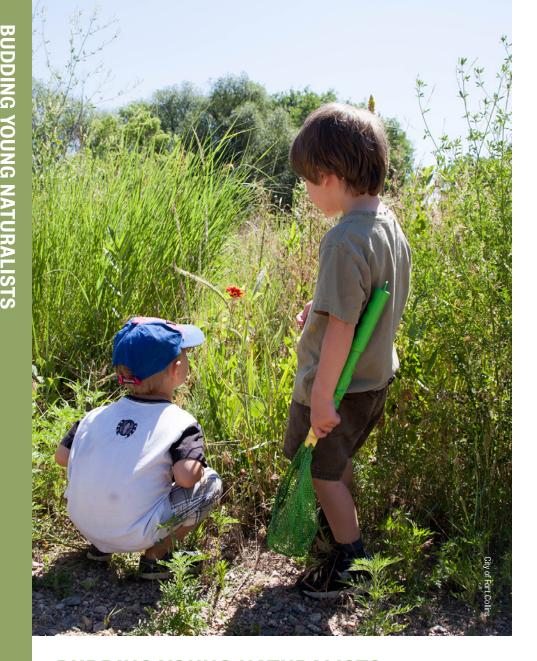

Sat. Sept. 30

Save the date for a family-friendly project that celebrates giving back to the open spaces you love! Project registration, location and description will be available in late August at fcgov.com/naturalareas/volunteers.php. Free, registration is required at fcgov.com/register.

Make a Difference Week

Oct. 16 - 20

Pitch in and make a difference. Help the Natural Areas Department support the mission of United Way by volunteering in our community. **Registration** is required. Project information and registration will be available in early fall. Visit *impact.uwaylc.org* for information.
