

# RENTAL PROPERTY & MOBILE HOME GRANTS

Apply now for funds to repair or improve your mobile home or rental property!

## What are these grants for?

These grants are here to help landlords and mobile home residents repair or improve their property!

If you have a repair or improvement that you want to make, you could receive up to \$7,000 to hire a licensed contractor to help you with the project.

## How can I qualify for grant funds?

There are just a few requirements for grant eligibility:

1. Landlords must register with the rental housing program prior to project completion
2. Projects cover up to \$7,000 of work
3. Projects must be complete by October 30th, 2024- ideally in Summer/Fall 2024
4. Projects must consist of permitted work, when applicable
5. Landlords must agree to use a licensed contractor chosen by the City

\*Eligible projects include:

- Furnaces
- Air conditioners or evaporative ("swamp") coolers
- Skirting
- Water heaters
- Decks, stairs, and handrails
- Insulation
- Weather proofing
- Electric upgrades

## GRANT ROUND SCHEDULE

3/25 – Applications open

4/16 – Applications close

4/26 – Grant Recipients notified

4/27-10/30: Work completed by licensed contractors

10/31: Grant round ends

## Grant FAQ

What do I need to know about my project before applying?

- **An estimate of the cost and scope of your project**

What can I spend grant funds on?

- **Funds will be paid directly to the licensed contractor working on your project, so there is no need to manage documentation or receipts for these grants!**

How can I apply?

- **You can find an application on the [Neighborhood Grants](#) page on our website!**
