To all persons take notice:

That for the protection of life, health, safety and property as affected by reason of the COVID-19 Event, which resulted in my declaration of a "local emergency" under the authority of Chapter 2, Article IX of the Code of the City of Fort Collins, (the "City") and which declaration of local emergency was filed with the City Clerk and with the Colorado Division of Emergency Management on March 13, 2020, I have hereby established, under the authority of Sec. 2-671(a)(6)a, the following rules and regulations:

1. Commencing on March 19, 2020, and until further notice, the requirements of the Fort Collins Land Use Code, Building Code and Fire Code related to the permitting and use of property as a day shelter, homeless shelter, and/or seasonal overflow shelter, as well as any City Codes, rules, regulations or administrative policies limiting the use of City Recreation facilities, shall not apply to the use of the City-owned Northside Aztlán Community Center, located at 112 East Willow Street, Fort Collins, Colorado as a temporary shelter for persons experiencing homelessness, unless otherwise agreed in writing with a facility user.

Pursuant to Section 2-671(e) of the City Code, the rules and regulations set forth herein shall be disseminated to local radio and television stations and to a newspaper having a general circulation within the City.
