OPEN STREETS

Ride, the route

2018 Sponsorship & Partner Package

About Open Streets

2018 marks the fifth year for Open Streets events in Fort Collins, where participants can expect 1-3 miles of car-free, family-friendly streets. Participants are encouraged to *Ride the Route* and explore programmed areas called “plazas”, temporary hubs of activity provided by local businesses and organizations. The routes generally include attractive neighborhood elements such as parks, and other key destinations like churches, schools, and commercial centers.

Open Streets events aim to show participants that travelling by bike, foot, scooter, and other car-free transportation modes can be comfortable, easy, and a healthy alternative to driving. Plazas are strategically located throughout the event route to encourage movement along the entire route, although participants can also visit only a portion of the route for a fun-filled, relaxed experience. Each plaza is unique: they could include live music, local food trucks, health and wellness inspired activities, and participant-made art! The possibilities are endless at Open Streets.

As an Open Streets sponsor, you have an opportunity to connect with participants at a uniquely Fort Collins event. The event marketing mix is comprised of digital and print material leading up the event, plus many great opportunities for spreading your brand during the event. Come *Ride the Route* with us!

Mission

The mission of Open Streets is to create a unique, activity-inspired event along walkable and bikeable routes in Fort Collins. Vendors are highly encouraged to provide health, wellness, and movement-oriented activities for participants to get participants moving, connect with local organizations, and explore new neighborhoods and their inherent assets.
