**NOTICE OF TERMINATION OF
EMERGENCY RULES AND REGULATIONS No. 2020-07**

To all persons take notice:

On April 1, 2020, under the authority of Sec. 2-671(a)(6) of the City Code, I established Emergency Rules and Regulation No. 2020-07 governing the issuance of citations for parking infractions and alternative administrative protocols. This included the suspension of Traffic Code Sections: 1) Section 1204(6)(a): violations of the "4-Hour Block Face Rule" or otherwise parking in a time limited space past the posted time; 2) Section 240(2): displaying an expired registration on a license plate; 3) Section 1801(4): immobilization of vehicles (aka. "booting"); and 4) Section 1214.5: parking in a Residential Permit Parking Area without a permit.

Since the time of establishment of Emergency Rules and Regulations No. 2020-07, the Governor's "Stay at Home" Orders have been modified to "Safer at Home" Orders of April 27, 2020. City Emergency Regulation No. 2020-17 was promulgated which authorized "Outdoor Expansion Permits" for certain local businesses and the Second Amended Administrative Order Regarding Limited Court Operations Related to COVID-19 2020-2 issued by Larimer County's Chief Judge on May 11, 2020, increasing activity at the Larimer County Courthouse. Together, these regulations have increased traffic and parking within the City and it is now appropriate to reinstate Code provisions that address these issues.

Considering the foregoing change of conditions, I hereby **terminate** Emergency Rule and Regulation 2020-07, which shall be of no further force or effect upon the effective date of this Notice of Termination, as set forth below.

This shall serve as notice that Regulation 2020-07 is terminated as of 5:00 p.m. on Sunday, June 14, 2020.

Notice of this termination of Regulation 2020-07 shall be disseminated to local radio and television stations and to a newspaper having a general circulation within the City.

DATED this 22nd day of June, A.D. 2020.
