- Rates are subject to change. Contact Parking Services at (970) 221-6617 for current rates.
- The City offers discounted monthly rates for parking permits renewed on or before the end of the month.
- Parking permits are monitored by the vehicle license plate number.
- You can park your vehicle in any space that applies to your parking permit type and does not have official signs or markings that prohibit parking.

3. ___ WHERE TO PARK

- Vehicles with a full-service permit may park on Levels 2 and above.
- Vehicles with a roof-top permit may park in any uncovered area on Levels 4 or 5.
- These parking restrictions apply only Monday – Friday, 8:00 a.m. to 5:00 p.m. For all other hours, and on recognized City holidays, permitted vehicles may park on any level, except during certain Special Events (see below) and except for spaces that have official signs or markings that prohibit parking.

4. ___ TERMS and CONDITIONS for USE of PERMIT

- To receive the discounted rate, permits must be renewed prior to the 1st day of the month.
- If your permit is not renewed by the 5th day of the month, your permit will be considered abandoned and will be offered for sale to the next person on the waitlist. If you would like to repurchase a parking permit, you will be placed on the associated waitlist.
- It is your responsibility to lock and secure your vehicle while in the parking structure.
- Each parking permit may have multiple vehicles associated with each issued permit; however, the permit holder may have only one (1) vehicle in the parking structure at a time. If multiple vehicles associated with the permit are parked in the parking structure, a citation will be issued to the second or subsequent vehicle(s) if a paid hourly/timed parking session has not been initiated.
- If the permit holder has unpaid parking citations associated with the vehicle(s) attached to your account, a permit cannot be purchased or renewed.

- At no time shall a parking permit constitute a privatized and/or dedicated parking space. Parking availability is on a first come, first served basis. The purchase of a permit does not guarantee that a space will be available.
- The intended use of each parking structure is to provide a longer-term parking option beyond the time-restricted parking stalls common in the downtown area. Parking Structure permits shall not be used by the permit holder for long-term storage of vehicles. Any misuse and/or abuse of duration of time or use of the parking structure as a storage facility may result in suspension of the permit and/or issuance of a citation.

- Parking structures are for parking purposes only; all other uses are prohibited.
- Failure to follow the rules governing the use of your parking permit may result in your permit being suspended for up to one (1) year. You may appeal any suspension of your permit to the Parking Services Manager by filing a written statement of appeal, including the basis of appeal, no later than seven (7) days from receipt of the notice of suspension or termination. In the event your permit is suspended, the permit will be offered for sale to the next person on the waitlist.
