## Obstruction Permit Information

### Permit type:

#### I. Construction Related Activity

- Fees:
  - Application fee - \$25.00 (includes one (1) day of use for the first space)
  - Additional days for the first space - \$25/day (up to four (4) days)
  - For the second or subsequent spaces - \$10/day/space (up to four (4) days)
  - For additional days - \$2/day/space (up to ninety (90) days maximum)

#### II. Non-Construction Related Activity

- Fees:
  - Application fee - \$25.00 (includes one (1) day of use for the first space)
  - Additional days for the first space - \$25/day (up to four (4) days only)
  - For the second or subsequent spaces - \$10/day/space (up to four (4) days only)
- A permit cannot be issued for more than four (4) consecutive days.
- Permits cannot be issued to the same applicant for consecutive time periods (back-to-back).
- The parking space that is to be obstructed must be adjacent to (i.e. in front of) the property of the applicant.

#### Information for both Construction and Non-Construction Related Activities

- The applicant may be required to mitigate hazardous condition(s) in a manner acceptable to the City.
- The application to use space(s) may be denied if it is determined that the proposed use of the space(s) is a safety hazard, a nuisance, or is not otherwise in the public interest; and such safety hazards or nuisances which are not mitigated to the satisfaction of the City.
- The City will retain the final authority to increase or decrease the number of space(s) that can be used, and ensure that the use aligns with public interest, and may do so even in situations where an adjacent property owner may not grant consent.
- Proof of insurance will be required to limit the City's liability.
- Handicap space(s) shall not be obstructed.
- Permits may be denied or revoked if the terms of the permit are not met.
- Permits may be denied or revoked if the proposed use requires other permit(s), and those permit(s) are not obtained.
- The permit holder must obtain & comply with any other required permits, licenses, or permission required under law & associated with conducting activities within an obstruction area.
- The permit holder is responsible for barricading/closing the parking space(s) in an acceptable manner.
- Permit holders must clean up after themselves and return the parking space(s) to its original condition when the use of the permit is completed.
