WEST OAK STREET

CITY PARK DRIVE

JACKSON AVENUE

SHELDON DRIVE

SOUTH BRYAN AVENUE

WEST MULBERRY STREET

WEST MULBERRY STREET

**CORE  
AREA**

This is an aerial photograph of a park area. A green, irregular outline highlights a central region. Within this green-outlined area, there are two baseball fields in the upper left, a large pond in the lower center, and a building with a white roof situated on a small peninsula in the pond. The text 'CORE AREA' is written in large, bold, green capital letters across the middle of the green-outlined region. Surrounding the green-outlined area are various other features: a residential neighborhood with houses and streets to the north and east, a large grassy field to the east, and more parkland with trees and paths to the south and west.

# GOALS

Respect history and character of City Park

# GOALS

Improved pedestrian safety near City Park pool

# GOALS

Improved sense of place

# GOALS

Incorporate new City Park train

# GOALS

Improved playground

# GOALS
