An Archery Range Permit is required for all group events using the City owned Archery Range. (See Chapter 23, Article X of the City Code.) An application for an Archery Range Permit may be approved, conditionally approved, or denied by the Director of Community Services.

The Director may condition the issuance of any permit by imposing reasonable requirements concerning the time, place and manner in which the proposed activity shall be permitted, and may deny any application or impose any reasonable permit conditions or requirements upon the approval of the same in order to protect the safety or well-being of persons, or animals, or to protect or preserve the recreation area and related facilities, or any other city or public property or facility, the use and enjoyment of the same by the general public, or the needs and objectives of the city in maintaining and operation the same.

1. Any person wishing to use the archery range for an event must obtain an Archery Range Permit from the City's Park Maintenance Division, 413 S. Bryan Ave., 970-221-6660, at least ten (10) days prior to the date of such event.
2. Five events will be allowed per calendar year in the months of February, March, April, May, and June.
3. A fee of two hundred and fifty dollars (\$250) must be paid by the Customer prior to issuance of the Archery Range Permit. In addition an Archery Range Pass of \$3.00/per car must be paid at the Archery Range kiosk and will need to be displayed in the vehicle during the event/shoot.
4. Each event will have a limit of 225 participants.
5. A Security/Damage Deposit of two hundred and fifty dollars (\$250) must be paid by the Customer prior to issuance of the Archery Range Permit. This deposit, or any portion thereof, may be retained by the City to pay for any damage caused to the archery range or archery range property or for any costs incurred by the city due to the use of the archery range by the Customer. A larger damage deposit may be required if the city reasonably determines that the risk of any damage to city property from the event exceeds \$250. The Customer is responsible for any damage to city property that is not covered by the security deposit.
6. **Liability Insurance:** A \$1 million per occurrence liability policy with the City of Fort Collins listed at "additionally insured" is required before an Archery Permit will be approved. The event name and dates should also be on the certificate and the policy must be current through the event date.

12. Customer must schedule a meeting with City staff at least two weeks prior to the date of the archery range event to determine utility line locates, electrical needs, water needs and to discuss any other potential problems associated with the event. Failure to timely schedule and attend this meeting may result in revocation of the Archery Range Permit.
13. Archery Range Permits are not available for more than one day. Overnight events, are not permitted except by special permission of the Director of Culture, Parks, Recreation & Environment
14. If the archery range event requires the closure of any street which is normally open to the public, the Customer will need to obtain a special event permit from the Police Department as required by Chapter 23.5 of the City Code. Contact Police Services at 970-221-6555. All work associated with a street closure must be performed by a certified traffic control company.
15. Any person who intends to sell any goods or services on park property must first obtain an Outdoor Vendor License and Sales Tax License from the City's Sales Tax Office, located at 215 N Mason, 970-221-6246. The signed permits/licenses must be displayed and easily visible on the vendor equipment while at the event.
16. An Archery Range Permit is required for city sponsored events. An event is city-sponsored if such sponsorship is authorized by the City Manager or the Director of Culture, Parks, Recreation & Environment.
